"Gold Found" at Bible Standard Temple. Revival now on. Come. The revival services at the Bible Standard temple last night were very well attended, and the speaker gripped the audience with his soul stirring message. He spoke from the theme of "Fire," how the prophet, Elijah, commanded fire to come down on the sacrifice before Isaac's worshippers. He gave the spiritual rendering of how God is trying to get people to live in

an attitude where they can also see the power of the early church manifest today. He told the very interesting story of a close friend who went to the haunts of dark Africa to do missionary work and soon after his arrival was called upon by one of the chief's band of 300 men, who asked the missionary if he worshipped a God who answered prayer; if so, he must ask his God to send rain, as there was a great drought. On making this request the chief returned to his home and the missionary began his prayer. After a number of hours in prayer, he heard the rain pattering on the roof, and he rejoiced that his prayer was heard, and after there had been considerable rainfall he looked out of the little window of his hut, and there came big chief with men, women and children following him. He knocked at the door and on entering the little hut, he said to the missionary, "You tell white man's God to 'turn off the water'." The missionary found such favor with the tribe that he was appointed chief council in all affairs. 7:45 each evening. Sunday, 11 a. m., 2:30 p. m. and 7:45 p. m.

The First Methodist Episcopal Church, corner of Main and Lane streets. Joseph Knotts, pastor. A good pull and a strong pull and all together, and we will get our Sunday school back to where it used to be. So let every one be on hand at 9:45 a. m. There was a fine attendance at Junior church last Sunday. The children are enjoying their service. The Epworth League meets at 6:30 p. m. The morning sermon theme is "The Christian Grace of Forgiveness." The evening sermon theme is "Getting Right with God." Our union revival meetings begin in two weeks. Success depends upon the interest and work of the church members. Let every member be at church this Sunday. Splendid music has been arranged by the choir. In the morning a beautiful anthem, also a duet by Miss Evelyn Quine and Walter Fisher. In the evening, the male chorus will give a delightful number.

St. George's Episcopal Church, Cass and Main Sts. The 3rd Sunday after Epiphany. Celebration of Holy Communion at 7:30 a. m. Morning prayer and sermon at 11 a. m. Church school at 9:45 a. m. MARK OBJECTS TO HIS NAME BEING USED ON LIQUOR

Mark Broom, former Reedspart resident, now an almost habitual inmate of the Lane county jail, after having achieved the reputation of becoming Eugene county's best known wholesale liquor distributor, is quite aroused over the use of his name on poor grade moonshine now being peddled, according to reports, in the neighboring city on the north. From his cell Mr. Broom has issued the following notice and warning to moonshiners, bootleggers and consumers:

"All of you moonshiners that is bringing liquor in Eugene and selling it for Mark Broom's figure please make it a little better for the boys in kicking on it. Some of the boys come to me and told me that liquor was no good. "Now I want the world to know that I have been in jail for nine months and I have no chance to make liquor or sell liquor and if you are going to use my name, please make your liquor sum better so I won't get a balling out about for they are coming to me

and kicking on your figure and if you kill sum one I don't want the blame for that so try to do sum better."

The Improved Myers spray pump runs in oil. Every part is easy to get at to replace. Investigate this pump before you buy a power spray outfit as it is far in the lead. See one at Wharton Bros.

NOTABLES FEAR WRATH OF STORM

(Associated Press Special Wire) CHICAGO, Jan. 20.—A former judge who fined the Standard Oil company \$25,000,000 without batting an eyelash, the commander of a giant ocean liner who has crossed the Atlantic hundreds of times, and an opera singer who has braved the criticisms of royalty over the footlights didn't care to hazard a 70-mile-an-hour gale in a Le Luze moonplane last night. The distinguished party, including former Federal Judge K. M. Landis and present commissioner of organized baseball, Mary Garden, opera star; Captain Herbert Hartley, commander of the S. S. Leviathan, and Mrs. Hartley, planned to fly from Chicago in the moonplane, a 12-passenger Ford-Stout all metal type, but the jabbing gale changed their minds.
