EARL PICKENS' CAR SMASHED IN WRECK AT OAK ST. BRIDGE

Wayne Pickens received minor injuries yesterday afternoon in an auto wreck which badly damaged the new Studebaker sedan belonging to his father, Earl Pickens. Traveling east across the Oak street bridge the car failed to negotiate the curve at the east end of the bridge and struck the curb, with the result that the machine rolled over and reversed directions, smashing the top, fenders, glass, and otherwise wrecking the body. Mr. Pickens fortunately escaped with no serious injuries, but suffered sprains and bruises. The car was towed to the Central garage for repairs.

Star touring, 1924 model, with new license and in good running order. \$50 is all we ask for it. Hansen Chevrolet Co.

MANY TRACK ENTRIES

(Associated Press Leased Wire)
BOSTON, Jan. 31.—A champion, national or intercollegiate, for every invitation event on the card, seems assured for the 39th annual indoor track and field games of the Boston Athletic association here next Saturday on the strength of the entries received to date. Carl Willemuth of Georgetown, national indoor 60-yard title-holder, and Al Miller, indoor intercollegiate spring king last winter, are

the favorites for the Briggs invitation 40 yard dash, while Montey Wells, Dartmouth's intercollegiate high hurdle title holder, tops the field in the 45-yard high sticks event.

Oliver Proudlock, intercollegiate half mile champion, Herman Phillips, National A. A. U. 440 yard champion, George Lones, national 600 yard champion and Sam Martin, N. E. A. U., half mile champion, top the list of title-holders in the A. A. U. Paul Keith, memorial 660.

The Chevrolet Motor Co. is the largest manufacturer of automobiles in the world and it looks like it will hold this place for some time. See the new Chevrolet.

ATTACKED AN OFFICIAL

(Associated Press Leased Wire)
QUEBEC, Que., Jan. 31.—Conceding a hockey player for assaulting a referee, Judge Lachance declared such an attack is more serious than a common assault committed upon an ordinary individual during the course of an every-day quarrel. Wilfrid Debeau, a local player, was given the alternative of \$20 fine and costs or a month in jail for attacking an official during a recent hockey game.

Why not play safe and buy the best non-skid tire on the market? We are distributors for the Pennsylvania Vacuum Cup tires and they cost no more than any standard tire. Hansen Chevrolet Co.

NURSERY TREES

Large and complete stock of walnut, peach, prune, pear, cherry, apple, fig, chestnut, filbert, persimmon, etc. Selected fruit trees for replants.

Fifteen varieties of grapes. Street and shade trees, also roses, vines and other ornamentals.

Why not deal direct with the grower and owner, securing home grown acclimated stock, and see who you are buying? Orders placed now will be reserved until you are ready to plant.

PREFERENCE FOR COUNTY LABOR IS C. OF C. AIM

Employment Service Will
Favor Residents of the
County Rather Than
Transients.

The Roseburg Chamber of Commerce is maintaining an employment bureau in connection with its other activities, and is asking the cooperation of all residents of the county in using this service.

The broccoli harvest is nearing and many laborers will be required. The Chamber of Commerce urges that growers, instead of employing transient labor, give the work as far as possible to resident labor. There are quite a number of men in the county out of work at present, although the condition has shown a very marked increase during the past few weeks, and the number of unemployed has shown a remarkable increase. But there are still some good, reliable men seeking work, and as these men are maintaining homes in the county it is believed that they should be given first choice wherever work is available.

The Chamber of Commerce asks that whenever farmers, business men, manufacturers, or any other persons have need for men to do any kind of work, that the Chamber be notified and an effort will be made to provide a reliable workman for the job. Men desiring employment should leave their names and addresses and the kind of work they prefer at the Chamber of Commerce, if they desire the services of this department.

Live forever. Brand's Road Stand Around, piano tuner. Phone 189-L.

MOVIES

LIBERTY THEATRE

"Woman Wise" at Liberty Today

William Russell, cast as a happy-go-lucky ne'er-do-well, rides into Persia and out again, loving and laughing, and losing like a gentleman in "Woman Wise," in which he is co-starred with June Collyer and Walter Pidgeon. The picture opens a one day showing at the Liberty Theatre today. Albert Ray directed and the cast includes Duke Kahanamoku, celebrated swimmer, and Raoul Paoli, Olympic game contender and present athletic champion of France. "It is precisely like the kind of role I love," Russell explained. "I have a lot of fun, I do a great deal of fighting, and I love a fine girl who is brave enough to tell me the truth. The truth is, she loves Walter Pidgeon better, and in the end I lose her. This often happens in real life and I like to see it come about in real life. On the whole, I consider this the most satisfactory role I've had in years."

LOVE OF CARMEN AT ANTLEYS

The girl with the heart of a woman, the mind of a child and the soul of a woman, "Carmen," at last will be depicted by one who understands the emotions of the famous character born from the prolific pen of Prosper Merimee. Probably for the first time the celebrated story of the little grey girl with the flaming eyes and fiery emotions will be portrayed by a real Spanish beauty, one who does not need a vivid imagination to conceive of the proverbial passions of Old Seville, for through her veins courses the blood of "Carmen."

She is Dolores Del Rio, reared in romantic Mexico by parents of Spanish nobility, who will be seen in the title role of the screen version, titled "Love of Carmen."

Like "Carmen," Miss Del Rio has found herself precipitated from her own circle of friends in the Mexican capital to the heights of international adoration as a result of her unique beauty and heretofore unrevealed emotional power. "Love of Carmen" opens a three-day run at the Antleys today.

The committee in charge of entertainment for B. and P. W. club party Fri. night wish to thank sincerely Mrs. Heinline, Mrs. A. J. Young and the following members of the orchestra which so kindly assisted on the program: Dale Strange, Mrs. J. Shockey, Mrs. D. Gibbs, Claude Crocker, J. C. Householder, Ford Singleton, Naomi Scott, Geo. Wharton.

DEMPEY IS OUT UNTIL SEPTEMBER

(Associated Press Leased Wire)
NEW YORK, Jan. 31.—The heavyweight dance of the world's champions proceeded today with one of the principals sitting out a number.

From Los Angeles yesterday, Jack Dempsey served notice he would not be in shape for a titular tilt until next September, which is partially caused by an injury to the right eye.

But he declared he would be in condition by fall and he expects no difficulty in coming to terms with Tex Rickard for a bout with the ruling king of the boxers.

Despite the temporary absence of the Manassa Mauler from the ring Rickard's revised elimination series goes on as scheduled. John M. Chapman, Rickard's assistant at Madison Square Garden, announced.

Chapman said he talked with Rickard by telephone, receiving word from the promoter at Miami Beach that the survivor of the approaching elimination would stack

Spirit messages will be given over the audiences and questions answered.

up against Champion Gene Tunney in June.

The principals of this series are Jack Delaney and Tom Heeney, who tussle on March 1, and Jack Sharkey and Johnny Risko, who battle on March 12. Now that Dempsey has declared he will not box until September, the winner of the eastern tournament will be sure to fight Tunney, Chapman said.

Previously Rickard had mentioned that he might pit the elimination winner against Dempsey if there were indications further eliminations would be desirable before arriving at the championship affair.

The victors of the March bouts will be matched into the final of the elimination events to take place in Madison Square Garden some time in April. All of the bouts will be over the 15 round distance.

When Rickard started his first elimination, bringing together Sharkey and Heeney, the bout was 12 rounds, an incident that Rickard later regretted. The bout ended in a draw verdict. Rickard then compelled the boxers of the coming contents to sign for 15 rounds, which is the championship distance.

Although Sharkey has a challenge against Tunney filed with the New York state athletic commission, and Delaney a like defl with the National Boxing association, neither is regarded to have serious bearing on the ultimate championship as the elimination will be the determining factor.

Chapman added that Dempsey was being retained by Rickard for a September bout against Tunney, provided, of course, Tunney successfully defends his crown in June.

It pays to see us for prices and terms, also cost of financing on new and used automobiles. Hansen Chevrolet Co.

CONFER WITH PELZER

(Associated Press Leased Wire)
NEW YORK, Jan. 31.—The foreign relations committee of the Amateur Athletic Union will meet in conference with Dr. Otto Pelzer here tomorrow to decide on granting the German track star permission to compete in indoor events in the United States.

Pelzer, who is the conqueror of Edwin White and Paavo Nurmi, hopes to be allowed to participate in three track meets which would start him off in the 300 meters run in the Millrose A. C. championships at Madison Square Garden Thursday night.

Other events in which Pelzer will seek permission to take part will be the 1,000 meter run at the Illinois A. C. games in Chicago on February 10 and the 1,500 meter run of the Knights of Columbus meet here on February 23.

NOTICE TO WATER USERS

While making repairs the water will be shut off on Wednesday, February 1, from 1:00 to 4:00 p. m. affecting all consumers on Mill street, south of Woodward; Short street and Umpqua Park.

COUNTY RALLY OF CHRISTIAN CHURCH BE HELD THURSDAY

The annual county rally of the Christian churches of Douglas county will be held at the local Christian church Thursday. The rally will start at 2 o'clock in the afternoon with a devotional service followed by short talks by pastors and officers of the various churches, reports from the state board and other business of importance.

Membership, evangelism, organization and stewardship will be some of the topics taken up by the various speakers, in the form of addresses and general discussions. At 6:30 o'clock the officers of the churches will join in a supper to be served in the church parlors, and in the evening there will be an address by C. F. Swander, secretary of the state board of the Christian church.

Delegations are expected from the churches at Myrtle Creek, Tiddle, Oakland, Drain, Glide and Elletts.

The Vaughan garden tractor will plow, harrow and cultivate. See one at Wharton Bros.

PORT OF UMPQUA APPROPRIATION IS CUT BY CONGRESS

WASHINGTON, D. C., Jan. 31.—Adjustments of river and harbor funds for at least two Oregon projects will be reduced below the recommendations of the chief of engineers by the action of the budget bureau in slashing the total appropriation from \$55,800,000 to \$50,000,000, according to testimony before the house appropriations committee.

Cosco bay harbor will be allotted \$220,000 for improvement as compared with \$262,000 recommended by the engineers; Umpqua harbor will receive \$400,000 instead of \$440,000, and Crescent City harbor, California, will be cut from \$230,000 to \$200,000.

The amounts recommended by the engineers for maintenance of existing works have been upheld, including \$11,000 for Coquille river, \$124,000 for Cosco bay, \$300,000 for Cosco river, \$10,000 for Stuhaw river, \$50,000 for Yaquina bay and bar, \$15,000 for Tillamook bay and bar, \$375,000 for the Columbia and lower Willamette rivers, \$30,000 for Willapa river and harbor, Washington; \$250,000 for Grays harbor and bar entrance, Washington; \$65,000 for Clatskanie river, and \$47,500 for the Willamette river above Portland.

PORTLAND, Jan. 31.—Lieutenant Colonel G. R. Lukeash, corps of engineers, U. S. A., district officer at Portland as well as division engineer of the northern Pacific division, said last night that the reductions indicated as to allocations for Cosco bay and Umpqua harbors meant the work this season would not be carried as far as otherwise would have been possible, but that both were projects for definite amounts, so that ultimately the necessary funds would be made available. As to Cosco bay, he said, where both jetties are being extended, there would be less stone purchased, and at the Umpqua, where the program is for the north jetty being extended, the undertaking would not be carried as far. At present the engineers are getting ready to contract for stone and piling for the Umpqua project and at Cosco bay tramway repairs and other water work is under way in preparation for the new season.

The Chevrolet Motor Co. is the largest manufacturer of automobiles in the world and it looks like it will hold this place for some time. See the new Chevrolet.

WASHINGTON NOW HEADING COAST BASKETBALL LIST

OREGON STATE COLLEGE, Corvallis, Jan. 31.—Washington, with wins over Oregon and Oregon State last week-end, has placed herself on the top of the northern division basketball percentage column. Oregon, Montana and Oregon State have dropped from the 1000 per cent column into the 667 division, and Idaho has finally broken into the top column against the Vandals victory over Montana on Friday. Washington State took another on the chin from Montana so remains at the bottom of the list. No games were played in the northern division last week.

Every team in the conference now into action this week-end. California plays two games with U. C. L. A. at Los Angeles, one being on Friday and the other on Saturday. All other games will be played on Saturday. These are Stanford versus Southern California at Los Angeles; Idaho versus Washington State at Pullman; Montana versus Washington at Seattle; and Oregon versus Oregon State at Eugene. The coast

conference standings to date are as follows:

Northern Division			
W	L	Pct.	
Washington	4	0	1.000
Oregon State	2	1	.667
Oregon	2	1	.667
Montana	2	1	.667
Idaho	1	3	.250
Washington State	0	5	.000
Southern Division			
W	L	Pct.	
U. C. L. A.	2	1	.667
Southern California	2	1	.667
California	1	2	.333
Stanford	1	2	.333

LATERAL PASS IS OPPOSED IN EAST

PHILADELPHIA, Jan. 31.—Eastern football coaches and officials at a round-table discussion last night expressed disapproval of the lateral pass and agreed unanimously that representatives of the eastern section should go before the football rules committee with the recommendation that the place be dropped and the passing game revert to the status of 1925.

William Roper, Princeton coach and eastern section member of the rules committee, chairman of the meeting.

While unanimous against the lateral pass, sentiment was just as strong in favor of keeping the goal posts back of the line, the opinion being that setting them back 10 yards made no material difference.

Game officials were urged to enforce the rule covering the screened pass, it being pointed out that flagrant violations were now practiced. It was suggested that officials be authorized to inflict penalties for such violations.

Gu. Dobie, Cornell coach, would include in the rule on clipping that clipping from the side as well as from behind be penalized. Roper and Coach Hugo Bezdek, of Penn State, were in favor of abolishing the point after touchdown, but this proposal did not meet with general approval. Officials were in favor of a mechanical device that would make possible the accurate placing of the linesman's stick at the point of first down.

Garden and flower seeds at Wharton Bros. We have a complete line.

DELAY IRKS PELTZER

CHICAGO, Jan. 31.—Dr. Otto Pelzer, the German running marvel, is irked by the delay of the foreign relations committee of the Amateur Athletic Union in granting him permission to compete on American track meets during his present stay.

"Their actions are a puzzle to me," Dr. Pelzer said last night after a workout on the indoor track of the University of Chicago. "I have agreed to all the rules of the A. A. U., and the chairman of the foreign relations committee to handle all of my expenses, to be paid by the three clubs where I run. I cannot believe there is

any difficulty in the committee's sanctioning my petition to run in this country." Dr. Pelzer was bound for New York today to meet the committee.

WOMEN'S GOLF TOURNEY

(Associated Press Leased Wire)
CHICAGO, Jan. 31.—The women's western golf championship has been set for August 13 to 18 over the Indian Hill club course, Chicago. Mrs. Harry Pressler, of Los Angeles, is the defending champion. The date places the tourney just a week before the men's western amateur championship at the Bob O'Link club, Chicago.
