## HIGH INTEREST STILL SHOWN IN UNION REVIVAL

### Presbyterian Church Packed Again by Devotees of Christian Faith.

### GOD'S LOVE IS THEME

#### Giving of "Only Begotten Son" Inspires Pastor Achor to Sermon of Fine Quality.

Let the well by the way-side that flows unto all Strength impart for each step of the mill; Let your faith the great promise after recall, And carry your cross with a smile!

So read the second verse of the great revival hymn being used in the union meetings, which continued last night with a packed house at the Presbyterian church. There was a good orchestra, a large choir and the congregation singing. Mrs. Elsie Carlton Strang sang beautifully in her effective way, "Jesus is Calling."

"Before Jesus Christ came into this world no one ever dreamed of saying 'God loves.' Some of the Old Testament prophets had glimpses of the truth and came near expressing it. But among all the gods many and lords many, there were lustful gods, and beautiful gods, and idle gods, and fighting gods, and peaceful gods; but not one of which worshippers said, 'He loves.' 'God loves' is the greatest thing that can be said by human lips. 'God loves' the world. What is the object of God's love? Is it the world or the universe, this terrestrial globe, which we inhabit? No, it is the moral inhabitants, all mankind. When we think or feel anything about a great multitude of people it is like looking at a forest. We do not see the trees, we see the whole wood. But that is not how God loves the world. God loves each one. When we say 'God so loved the world' we have to break up the mass in to pieces and think of each piece as being an object of His love. Our Heavenly Father sent His son, Jesus Christ, to take up his abode

### BROCCOLI GROWERS

A meeting of the Umpqua Broccoli Growers will be held in the office of our Edgewater warehouse Monday, February 13th at 7 o'clock p. m.

The report of the committee on rules for the grading and packing of the 1928 crop will be taken up at this meeting and it is important that every grower be present.

C. E. Marks, President.  
E. G. Cloake, Secretary.

In the heart of man; from the youngest to the eldest the invitation is extended to share in the love of God. He loves the white, the black, the yellow, the brown. He loves all. He loves you. "That He gave His only begotten Son." Never before was such a gift given, such love extended, and never again will such a sacrifice be made. The infidel says, "If God gave His Son to die then He is a murderer." But let that infidel go to that Father who gave his son in the World War because he loved his country, and desired righteousness and justice, and let him say he was a murderer, and see what happens to him. It was God's love that appointed Christ's death. There is no love that does not delight in giving, and there is no love that does not delight in depriving itself in some fashion, of what it gives.

"Whoever believes in Him: How may I receive God's love? How may I obtain it? The beginning and the end of the text cannot be buckled up together in a rough and ready fashion. They must be linked together, and there are two links in the chain. God forgives one and we must forgive the other. 'God so loved that He gave' then He has done His work. 'That whoever believeth in our work' belief not only involves a knowledge of truth, or knowing something to be true but it is experience. You may read a magazine article and believe it to be true yet it apparently has no effect upon you. Belief in Christ means to commit yourself to Christ, to intrust your all to Him. To become a great musician, one must spend hours and hours in practice and rehearsal. To become a great engineer you must spend much time in the study of the theory of engineering, then you must spend more time in actual experience. But to become a Christian all that you have to do is 'to believe on the Lord and thou shalt be saved.' To believe in Christ is to let Christ live in you. In Gal. 2:20 we read, 'but Christ liveth in me.'

"The aim of God's love, 'Shall not perish, but have everlasting life.' The popular question of the day is, 'If I do this what will I get in return? What is there in it for me?' If I accept Christ what shall I profit me? The answer is double: 'Shall not perish, but have everlasting life.' 'Shall not perish' Consider the tremendous force of that phrase! Can you imagine a sadder picture than 'when the roll is called up yonder' your name will be missing?

"Let us turn from the blackened abyss of despair to the light of eternal joy. It is the Christian's joy that all sin is forgiven. He will be presented blameless and spotless before the throne of His glory. 'God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life.' Dear friends, out of Christ, will you accept God's love-gift to you? You can put your own name in that 'whosoever' and have everlasting life here and now. Do you believe? Will you accept Christ now?"

## CLAIM OF BEING CZAR'S DAUGHTER RAISES DOUBTS

(Associated Press Special Wire) NEW YORK, Feb. 10.—The frail, 26 year old woman, whom many claim to be the grand duchess Anastasia, youngest daughter of the slain Czar Nicholas II of Russia, was resting under heavy guard today at the Long Island estate of Mrs. Auguste Richard.

She was whisked away in a closed automobile from the liner Berengaria upon which she arrived from Europe, and her whereabouts remained a mystery for many hours. Later it was learned she had been taken to the Richard home at Lawrence Beach, Long Island, where it was said she would remain until the return to this country of Mrs. William B. Leeds, the former Princess Xenia of Greece, who invited her to this country. Mrs. Leeds is now on a cruise of the Caribbean Sea.

## DISPLAY IS MADE OF NEW TYPE OF BROCCOLI PACK

Broccoli is beginning to come in to some extent, although cutting will not be general until along about the last week of this month. It is stated by some of the growers. However, this is a favorable condition, as the southern producers will at that time be practically out of the product, thus leaving the Umpqua Valley to supply the major shipments for eastern points. Yesterday afternoon the Umpqua Broccoli Exchange, Foster Butler, manager, sent in a sample crate for exhibition in the News-Review windows, and it demonstrates what is required in No. 1 pack. This crate is of the new type adopted by the Umpqua Broccoli Exchange, and used for the first time this season. The container is 16x19 inches, inside measurement, by 7 inches deep. On each side of the crate is the word "Oregon" in large letters. On one end is a beautifully lithographed label with a red background, showing a head of white broccoli set in green, and the inscription on the label reads: Umpqua Valley Broccoli Exchange, Roseburg, Oregon. The crate exhibited contains ten heads of No. 1 grade, and makes a tempting pack.

## ROCKEFELLER, JR., SUMMONED BY THE SENATE PROBERS

(Associated Press Special Wire) WASHINGTON, Feb. 9.—John D. Rockefeller, Jr., chairman of the board of trustees of the Rockefeller foundation, has been summoned to appear Saturday before the senate "teapot dome" committee.

Services of a telegraphic subpoena was accepted in New York City today by Rockefeller who is to be asked to relate all the information concerning the transactions of the Continental Trading company of Canada given to him by Robert W. Stewart, chairman of the board of the Standard Oil company of Indiana, who refused to divulge whether he knew of any one who received Liberty bonds from the Continental.

In addition to Rockefeller the committee also has issued subpoenas for a number of clerks employed in the New York branch of the Dominion Bank of Canada, in which were kept the accounts of the Continental and its president, H. S. Oiler, Jr., of Toronto. Some of these clerks are expected to be here Saturday.

## NATIONS ARE NOW PREPARING FOR WAR, SHAW CLAIMS

(Associated Press Special Wire) LONDON, Feb. 10.—"All of the great militant powers" are putting up "a peace bluff to cover their preparations for the next war," George Bernard Shaw says in an article in the February issue of No More War.

Shaw adds that the effect of the Russian proposal for total disarmament was to end that bluff. He continues: "The powers of western Europe now stand unmasked by Russia and America as determined to maintain and extend themselves by the sword and therefore to recognize war as the final court of appeal in human affairs. 'There is no reason, however, why they should not sincerely advocate disarmament as a measure of economy, because armament can always be improvised on the outbreak of war and standing armaments are obsolete nowadays by the time they are needed.'

HUNTVILLE, Tex., Feb. 10.—The iconic notation, "gone 25 years, six months and eight days," appears on the commitment papers of Bert Creed, who has returned voluntarily to the state penitentiary from which he escaped almost a quarter of a century ago. Creed was sentenced in 1903 to
