SPLENDID PROGRAM

The American Legion Auxiliary held 'the regular semi-monthly meeting at the armory last night. A patriotic program, celebrating George Washington's birthday an-

George Washington's hirthday anniversary, was enjoyed with the
Legion and was followed by a
very interesting business meeting.
A jam and jelly shower for the
boys at U. S. Veterans' Hospital
77 is planned for the next meeting. Many of the veterans have
been in the hospital for years, and
these home-made jams and jelles
are a real treat to them after hospital fare for so long.

Mrs. Fred Strang, the music chairman, gave a short talk on music in the Auxiliary and is planning on exhibiting some of our local talent at the State convention to be held at Medford this year.

The Auxiliary will sponsor a home-made caudy and punch booth each night at the Legion's Automobile show.

At the close of the meeting refreshments were served by the hospitality committee,
