PORTLAND GIVES HUGE GUARANTEE TO OPERA COMPANY

PORTLAND, Ore., Feb. 23.—Citizens of Portland who have joined in guaranteeing the \$42,000 engagement of the Chicago Civic Opera Company at the Portland Auditorium March 22, 23 and 24, are hopeful of being able to meet the engagement such a success that it can be brought to the Pacific coast annually for a season of opera such as is enjoyed in the music centers of the east.

The engagement has every promise of being a complete success as indicated by the advance ticket sales which are said to be far in excess of the sale this far in advance of either of the other two times the company has been here since 1922. Although it is reported the engagement is, paying out in all the cities where the company is appearing in its present transcontinental tour.

The Portland engagement will be strictly non-commercial. Admission prices have been fixed so that the engagement can be made self-supporting and show a small margin of profit. All profits are to go to the Portland Community Chest. Any losses will have to be made up by the 100 citizens who have signed the guarantee necessary to bring the company here.

The Portland engagement will be for three days and will include four operas. The first will be the spectacular old favorite "Aida" with such artists as Van Gordon, Baromeo, Marshall, Muzio, Lazzari, Fomici, Marlo, Oliviero and many others. The second performance will be "Snow Maiden" a comparatively new opera in English with a long list of stars including Mason, Jackson, Pavlovskaya, Van Gordon, Hackett, Bonelli, Baromeo, Defrere, Claessens, Sandrini, Nicolich, Oliviero, Hap-paport and others.

MANDELL'S TITLE IS NOT AT STAKE

(Associated Press Leased Wire) CHICAGO, Feb. 23.—Sammy Mandell, world's lightweight boxing champion, will risk his prestige and physiognomy but not his title in a ten round bout with Jackie Fields of California at the Coliseum tonight. Both men will be over the lightweight poultice. Tonight's fight is the second between the men and probably Mandell's last before he exchanges punches with Jimmy McLarnin in a titular match at the White Sox ball park next June. In their last bout Fields won a 12 round newspaper decision over the champion by his aggressiveness and ability to throw punches from almost every angle. Despite that defeat, Mandell today ranked a 7 to 5 favorite to win tonight.

Fields' rise has been rapid. He got his start in the ring as an amateur around Los Angeles, improved rapidly and was a member of the American Olympic boxing team in 1924. He won the world's amateur featherweight championship.
