

CORRECTION!

In our advertisement appearing in last Saturday's edition of this paper, the statement was made that the Douglas Building and Loan Assn. was building our new plant here.

The statement should have read that a loan on our new plant had been negotiated with the Douglas Building and Loan Assn. The error has just been called to our attention and we very gladly make the correction.

COLLEGE BAND TO PLAY CONCERT HERE MARCH 22

OREGON STATE AGRICULTURAL COLLEGE, Corvallis, Mar. 5.—A seven-piece band orchestra will accompany the O. S. C. military band on its twenty-third annual spring concert tour of southern Oregon and northern California during the college spring vacation, playing for a dance here in the Oriental dance hall, March 22.

The orchestra is a big financial help in making the organization self-supporting, as the orchestra men are also members of the band. All of these students earn their way through college by playing for dances on the campus. The dance will start after the concert. In this way everyone will have an opportunity to hear both the band and the orchestra. The men will play for dances in Roseburg, Glendale, Medford, Klamath Falls, and Yreka, Fort Jones, Weed and Dunsmuir, California.

On previous trips, the orchestra has always made a big hit with the dancers, due probably to the zip and pep that such a college organi-

zation offers. The seven pieces include three saxophones, one trumpet, a trombone, piano and drums. Five of the seven orchestra men made the trip with the band last year when they played for dances in eastern Oregon.

Many of the best young musicians of Oregon go to O. S. C. where they may play under the direction of Captain H. L. Beard, director of the band, and receive credit toward graduation for their work. The frequent trips made are also a big factor in attracting students from different parts of the state each year. Under the leadership of Captain Beard the band has grown stronger year by year, until it is now a financially self-supporting organization.

TRIS SPEAKER IS HITTING HIS STRIDE

(Associated Press Leased Wire)
FORT MYERS, Fla., Mar. 6.—Tris Speaker, the Athletics' center fielder, is on his game.

Getting into the first nine inning game yesterday between the regulars and yanigans, Tris helped the regulars to a 11 to 9 victory by crashing out four hits in four

times up. He stole the only base of the game and dashed about the field pulling down flies from every angle.

Joe Hauser, first baseman, crashed out two triples.

(Associated Press Leased Wire)

LA GRANDE, Ore., Mar. 6.—Wallowa High school won the basketball championship of Oregon district No. 1 last night, defeating Baker high 26 to 22 in a close game at Union, Oregon. Baker led 8 to 5 at the end of the first quarter, the score was tied at 10 at half time and knotted at 16 at the end of the third period. In the final quarter Wallowa forged ahead with five field goals while the bulldogs were shooting two and converting two free throws.

BOSTON BRAVES HAVE HIGH HOPES

BY BRIAN BELL

(Associated Press Sports Writer)
ST. PETERSBURG, Florida, Mar. 6.—With a new manager and a new captain, the Boston Braves are starting out with high hopes of improving their seventh place position of last year in the National league. The Redskins are cheered, too, by the presence of a shortstop they did not have in the training camp last spring.

The addition of Rogers Hornsby at second base has encouraged Manager Jack Slaterry, promoted from scout to manager, as he starts his first season as head of a major league club. With Eddie Farrell to work with the former St. Louis manager and Giant captain, Slaterry thinks he will be able to show a tight defense at second and short.

With these exceptions and a number of pitching recruits, the crop of athletes is the same this year that it was last.

Zach Taylor returns from the Giants to attempt to catch a majority of the games and Eddie Moore, young in years but a veteran player, seems definitely assigned to an outfield post after playing in and out of the infield. Burrus will again play first and Andy High seems to have the call at third. Hornsby at second and Farrell at short are set. Jimmy Cooney and Walter Gautreau, baseball's smallest exhibit, will take care of the emergency assignments.

Moore, the handy man, Ed Brown, who plays day in and day out, and Lance Richbourg, the flash, may make up the outfield combination, with Jack Smith subject to call. Another place will be reserved on the bench for either John McNamara or Earl Clark, the latter only 20 years of age and regarded as a definite corner.

The pitching candidates have shown enough to draw smiles from the dignified Slaterry and reserved Hornsby.

The optimists will grow to a decided majority of Johnny Cooney's continued tests of his arm show that it is well again. Greenfield, Geneswch, Smith, Kertz and Robertson are assured of first line places. Hearn, Mills and Edwards have been Braves and may be again. And Guy Morrison, a student of books as well as baseball, who finished with the Braves after a season at Waterbury, has a chance to stick. Morrison left his studies at Columbia University to report.

One of the best prospects from the minors is Eddie Brandt, a big southpaw from Seattle. Only 23 years old but booming up an inch and a half over six feet and scaling 185 pounds, Brandt on his early season showing will be taking his turn on the mound from the outset. Arthur Delaney, another Pacific coast recruit, has also made an impression as has Bill Dunlap, who threw them for Lynn last season. Dunlap is only 18 years of age.

The famed Taylor will have two understudies but the nominations will not be made for a while. Luke Urban, former Boston College football star, advanced from Toledo to the Braves last season, and will probably be one of the catchers.

Either Baxter Williamson, a big fellow from Asheville, of the South Atlantic association, or Bill Cronin, who caught for Providence, last season, will see lots of the Boston bull pen this summer.

COMMITTEE STARTS WORK BEAUTIFYING HIGH SCHOOL YARD

At a meeting of the general lawn and shrubbery committee in charge of the work of beautifying the grounds of the Senior High school, which was held in City Superintendent Campbell's office Wednesday evening, it was decided to put lists of shrubbery needed in the hands of local growers for bids. Also to get bids on the lawn work. Sub-committees were appointed for this, and the actual work at the school will start very soon. A good portion of the money has been raised, and various plans are under way for raising the balance.

J. O. NEWLAND & SON,
Dodge Brothers Dealers, City.

Gentlemen:
Please permit me to congratulate you upon the merits of your wonderful new Victory Six, which you placed at my disposal for the blindfold drive yesterday afternoon.

In the course of my blindfold drive demonstrations, covering the period of several years, I have necessarily been called upon to use various makes of cars and it affords me sincere pleasure to say that I found the Victory one of the easiest cars to control that I have ever driven.

With best wishes for a Dodge record season, I thank you for your courtesy.

Yours truly,
(Signed): ALI-DIN.

BLINDFOLDED

The Dodge Victory Six responded with high spirited sensitiveness to his erratic demands.

Only a car of Dodge strength could have been as effectively handled.

Complexions of the passengers were much lighter in color as they stepped from the Victory sedan and breathed sighs of relief.

Ali-Din will explain how he accomplished the feat when he appears at the Antlers theatre, where he is featured every day this week.

YOUNG INFIELDER SHOWS UP GREAT

(Associated Press Leased Wire)
AUGUSTA, Ga., Mar. 6.—Snappy play by Mel Ott at second base gives promise of a great struggle between the 19 year old infielder and Andy Cohen for the task of filling the Giants' gap made by Hornsby's departure to the Braves. Ott impressed McGraw in yesterday's workout by snaring some hard rollers and starting a fast double play.

KOZER'S NAME IS NOT BEFORE VOTERS

SALEM, Ore., March 6.—In the primary nominating election on May 15th there will be one familiar name absent from the list of candidates for secretary of state. Sam A. Kozier, who has been connected with the state house for a great many years, and who has twice served as secretary of state, is prohibited by law from again being a candidate. The Oregon law provides that the secretary of state, the treasurer and the governor shall not serve more than eight years out of twelve, or more than two consecutive terms. Thus it develops that Sam Kozier cannot run for re-election this year.

COMMITTEES NAMED TO CONDUCT CAMPAIGN

UNIVERSITY OF OREGON, Eugene, Mar. 6.—(Special)—Twelve members have been appointed to the greater Oregon committee to work in designated sections of the state, it is announced by Ronald Hubbs, Silverton, general chairman. Douglas, Curry and Coos counties are in charge of Keith Hall of Marshfield.

SLUGGERS FROM MINORS WORK FINE

(Associated Press Leased Wire)
CLEARWATER, Florida, Mar. 6.—Manager Robinson's ventures into the minors for slugger talent are bringing the desired result in the training of the Robins here. Al Tyson, who batted .377 with Buffalo, cracked out several drives good for base hits in practice yesterday. He is expected to land a berth in the outfield with Carey and Stutz. The last named is on his way to camp from California.
