

Thank You

I desire to thank the residents of Douglas county for the remarkable way they are co-operating with us, and for the whole-hearted support given. In the sale of our 7% Preferred Shares, the first three days of our campaign have brought us results far exceeding our expectations.

Some of the very finest people here are now financially interested with us, and we surely appreciate the spirit shown. We promise you the finest Laundry and Dry Cleaning plant in the State—bar none; not the largest—but the most completely equipped plant it is possible to build. It will be the best in our chain.

Our shares are sold under authority of the Corporation Dept. of the State of Oregon and our salesmen are all duly licensed by the same department. You will find them all perfect gentlemen—and they will state only facts to you.

I shall be more than glad to meet personally anyone interested in any phase of this business, and my time is at the disposal of you all.

No amount of shares is too small to be purchased, and the larger investor might do worse than look carefully into this opportunity. It might be the very one he is looking for.

Very cordially yours,
FRANK B. ROBINSON,
Sales Manager.

MAYOR IN CAPITAL

WASHINGTON, March 7.—Mayor Walker of New York looked over Washington today for the first time since he took office and, although he kept President Coolidge and three cabinet members waiting, succeeded in reaching a tentative agreement on the business which brought him here—construction of a federal building in the city over which he reigns.

After his conference with Secretary Mellon, the mayor went to the White House where he was a half hour late for his call on the

president. Asked what he talked about with Mr. Coolidge, Walker replied:

"About three minutes."

ROSEBURG POST STILL LEADING IN MEMBERSHIP DRIVE

Umpqua Post of the American Legion now has a membership of 421 and a very slight edge over Medford in the membership contest in which the two posts are engaged. Roseburg is now within 15 of the highest point ever reached and expects this year to have a record membership by the time the drive is complete. Medford, however, has 421 and with many more eligible from which to draw more members. Roseburg is expecting that it will be the Medford delegates who will get the feed that is to be paid for by the losing team, for Medford has many more ex-service men from whom to draw their membership than has Roseburg, but despite that fact has never had as large a post previously, but this year the campaign has given the incentive for organization and Medford is expected eventually to win, but Roseburg is not giving up without a struggle and is still in the lead.

The Cream of the Tobacco Crop

"Few people, except leaf tobacco men, realize that LUCKY STRIKE Cigarettes are made from the choice of the sweetest, ripest tobaccos grown. I wish every smoker might see these tobaccos—they would then readily understand why LUCKY STRIKES are so mild and mellow."
