NO CHANGE IN J. C. PENNEY CO. AFFAIRS

Owing to a rumor being circulated that the J. C. Penney store has been taken over by a big mail order concern, the local management has issued a general denial of the story, and Mr. Richards says: "My attention having been called to reported statements alleging that a big mail order house has bought the J. C. Penney Co. store in Roseburg, and desiring to clear up the matter for the benefit and information of the public, I wish to state that the reported purchase is without foundation and is wholly imaginary. This store is, and will continue to be, operated by the J. C. Penney Co."

GOOD PROGRAM HELD AT LOOKING GLASS

The Grange hall at Looking Glass was packed Tuesday night for a big program of a humorous and educational nature. The audience was delighted with the music played by E. W. Snyder on hand saws and other novel instruments. Mr. Snyder's improvisations and dialect readings kept the hearers in an apron of laughter. After more than an hour of hilarity the audience enjoyed a more serious and vital discourse by Mrs. Brooke, representative of the Eugene Bible University. By words and lantern views this great and growing enterprise of thirty-four years was vividly portrayed.

STOP THE FAT AND GET THIN

The way to reduction is to stop the formation of fat. Modern science has found that very—by turning your food into fuel and energy—by supplying a natural element that helps do that. It is much better than starvation. That modern, scientific method is embodied in Marmola prescription tablets. People have used them for 20 years—millions of boxes of them. Now the results in slender figures, new beauty and vitality, are seen everywhere.

Each box of Marmola contains the formula, also, a scientific reason for results. So you know the effects are beneficial, and why they all occur. Learn what so many have learned in 20 years about it. Do it now. Ask your druggist for a \$1 box of Marmola and learn what it means to you.
