SAYS HOOVER MUST WIN BY THIRD BALLOT

ST. LOUIS, June 5.—Conferees on details of plans to prevent the nomination of Secretary Herbert Hoover at the republican national convention in Kansas City next week, were held here today by United States Senator James E. Watson of Indiana with Missouri

supporters of former Gov. Frank O. Lowden, of Illinois. "It is only a question of whether Secretary Hoover can be stopped," Senator Watson, who is a candidate, is quoted by the Post-Dispatch as saying. "And I do not know whether he can be. LOST CREEK FALLS TO BE OBJECTIVE BOY SCOUT HIKE

"The Scouts who take the hike from Roseburg over the old Coos Bay wagon road Wednesday, June 13, are to be treated to a wonderful sight when they reach Lost Creek Falls," says E. A. Britton, Scout executive. "Lost Creek flows over an under-cut cliff and forms a beautiful falls. The cliff is large and forms a trifle more than a half-circle and since it is under-cut there is a large cave back of and beneath the falls. Just outside in a large round pool of pure cold water."

"This fall is reached by leaving the old road at a point about a half mile past the county line, climbing the mountain and traveling in a north, northeast direction. It is about two miles from the road."

The Scout executive took a group of Scouts from Myrtle Point and Coquille to the falls from the other side last week. Those Scouts enjoyed the trip very much.

This week a group from Marshfield and North Bend go up Coos River to Alleghany and then in to Golden Falls. This will be a pleasing objective for them.

The boys are taking food which is not put up in tin cans. They are also learning to prepare food that is good for them. They also learn to bake bread and corn-bread.

The food list given to the Roseburg Scouts for their hike is as follows: one-half pound lard, 1 small loaf bread, one-half pound dry peas, one-half pound butter, one pound corn meal, half pound bacon, six eggs well washed, half pound cheese, half pound dry beans, quarter pound rice, half pound dry hominy, one pound flour, six bouillon cubes for seasoning, small package seashell macaroni, or noodles or spaghetti, salt, pepper, baking powder and sugar.
