**A Statement by the Owner
of the Roseburg Booterie**

After fourteen years in Roseburg, in the same location, it became necessary to reorganize this business to meet present conditions. My reputation is behind this sale. EVERY PAIR OF SHOES in this vast stock must be sold in a very short space of time. Nothing excepted. Every pair will be sold and sold a hurry—There will be no dilly dallying, no nibbling—The stock is priced with the one idea of getting rid of the shoes, profit is forgotten. Now friends, and I consider the vast population around here just that, I have tried to tell you a few words—Every pair shoes must be sold quick in order to reorganize.
