PACIFIC COAST LEAGUE GAMES

Indie Kallio filled the first half crown of the Seals a bit farther on one side yesterday and kept Sacramento in a first place tie with Hollywood by twirling the Seals to a 2 to 1 win over San Francisco.

Hollywood remained at the top by trimming Seattle 5 to 2. The Stars got to Collard for nine hits, while Kinney held the Indians in seven. Three errors contributed to Seattle's downfall.

Nicking three, Beaver pitched for 19 hits, the Missions turned in a 12 to 2 victory over Portland and took the lead in the series. Every member of the Mission team hit safely at least once.

The Oaks failed to continue their slugging against Los Angeles, but instead played a ragged game which saw them go down under a 3 to 2 count. Peters stopped the losers with six hits, one a homer by Arlett while his

WEST VIRGINIA AND OHIO HIT BY COSTLY STORMS

WHEELING, W. Va., July 13.—Wheeling and towns along the lower Ohio valley today were re-

covering from the worst storm in 12 years. At least 2,000 men were idle as a result of industrial plants and mines being flooded when small streams overflowed.

Moundsville bore the brunt of the storm, the loss there being estimated at \$200,000. Homes were

washed from their foundations. Only one loss of life was reported, that of Albert Lawther, a negro, who was drowned near Wellsburg.

MIRACLE ONLY CAN DEPRIVE YANKEES OF 1928 PENNANT

There is mathematical proof that the New York Yankees have got to clinch the American league pennant. But alleged contenders in that circuit are coding day by day to the realization that it will take a miracle to head off Babe Ruth and company from their third successive appearance in the world's series.

For a month the champions have done little better than break even yet they lead the procession by ten and a half games. Their closest competitors, the Philadelphia Athletics and the St. Louis Browns have done no better over the same period.

The three leaders have faced since June 10 as follows: Yankees—49 15 340 Athletics—29 18 526 Browns—18 16 520 Although the Yanks have won only four more games than they've lost during this period, they have increased their advantage by one percentage point over the second place Athletics and by 20 points over the Browns.

party calling for the enactment of the law forbidding the manufacture of liquor in the home.

Site main planks were included in the prohibition platform as finally adopted. The stand of both major political parties on prohibition was compromised, but the custom of political parties in choosing all size and shortcomings to each other was denounced.

In addition to the prohibition plank, the platform favored farm relief and called on the voters to increase prejudice conducive to breaking down the separation of church and state.

The government's steps toward forcing a laissez faire were commended. In the national resources plank, the "power trust" was criticized.
