AT ANTLERS SUNDAY BEBE DANIELS IN "HOT NEWS"

Bebe Daniels' Program is Filled With Action

Action is what Bebe Daniels craves and her program for the next few months calls for plenty of it. Her new starring picture, "Hot News," opens tomorrow at the Antlers theatre.

What a field opened up for the dashing comedienne who is never so happy as when poised in perilous positions in front of the motion picture camera!

Neil Hamilton appears opposite Miss Daniels playing the role of a rival newspaper cameraman.

Clarence Badger, who has been associated with Miss Daniels throughout many of her screen hits, directed the star in "Hot News." Badger recently completed "The Fifty-Fifty Girl" with her.

Gene Stratton-Porter's Great story "Freckles" Tue-Wed.

As more than 2,000,000 copies of the book have been circulated throughout the United States, nearly everyone is familiar with Gene Stratton-Porter's famous story, "Freckles," which is coming to the Antlers theatre on Tuesday.

As publishers compute that at least five persons read every copy of a book, taking into account those in libraries and large families, at least 10,000,000 have read "Freckles."

Dealing with the adventures of a one-armed orphan boy set to guard a valuable piece of forest, the Limblost, "Freckles" is a simple and charming tale of love, loyalty, and courage.

John Fox, Jr., of "Covered Wagon" fame, plays the title role and opposite him plays Gene Stratton, grand-daughter of the famous authoress. Others of the cast include Hobart Bosworth.

Miss Page Attends Wedding of Niece

Miss Margaret Page returned this week from a trip east where she went to attend the marriage of her niece, Miss Louise Page and Mr. Charles Gillett, which was an event of August 2, near Bottineau, North Dakota.

The ceremony was at 4 o'clock in the afternoon at the summer home of the bride's parents, Mr. and Mrs. J. L. Page, on Lake Metigoshe, and was in an out door setting entirely made of wild flowers. A supper for the wedding party and guests followed at the summer hotel near there. The marriage of Mrs. Gillett is interesting news to her Roseburg friends as she visited here only a few years ago.

Mr. Gillett is with the forest extension service. Immediately following the supper Mr. and Mrs. Gillett left for Rhine, New York, where the bridegroom is to be instructor at Cornell and to study for his M. A. degree this season. While away Miss Page also visited in other cities in North Dakota and the east.
