GLIDE COMMUNITY FAIR TO BE HELD WED., SEPT. 19

Plans are rapidly going forward for the Glide community fair to be held Wednesday, September 19, according to John Alexander, Glide merchant, who was in Roseburg today attending to business matters. It was recently erroneously stated

that the Glide fair would be on Sunday, September 19, when the date should have been Wednesday, September 19. Mr. Alexander says that Glide and South Deer creek communities are working in close cooperation to make this fair the biggest of its kind ever held in the country. The new school gymnasium, 50 by 80 feet in size, will be made available for the displays, giving a much better place for the exhibition. A program will be given in the afternoon, following the basket dinner, one of the features of the program being a concert by the South Deer creek grange orchestra.

Battle Marked Accuser of Tom Mix Also Worst in Fight With Court

LOS ANGELES, Aug. 24.—Will Morrissey, stage and cabaret wise-cracker, did his "turn" in municipal court yesterday, but failed to get a "hand."

Morrissey, who was arrested on a drunk charge after he had appeared at the Venice police station early Sunday morning and accused Tom Mix (mistake) of punching and kicking him, was found guilty yesterday of the charge against him. His wife, Midge Miller, who faces a similar charge growing out of the Morrissey-Mix battle, testified in her husband's behalf, denying he was intoxicated.

Sentence was deferred pending a perusal of city ordinances on the charge against the comedian.

When the West thinks of coffee

it says, "Hills Bros."—the coffee roasted a few pounds at a time. That's the secret of Hills Bros.' patented, continuous process—Controlled Roasting. It's the secret of the wonderful, uniform flavor, too—a flavor that you won't find in any other coffee.
