Look for the Branding

MANY buy Swift's Premium Bacon in cartons because identification of the genuine is certain.

Now you may purchase Premium Ham or Premium Bacon with equal assurance.

In addition to the name branded on the rind, a new method of branding the name "Swift" in dots down the side of the ham or bacon makes identification of even the smallest purchase easy. This branding resembles the rich brown color of the broiled ham or bacon.

THE LADIES SHOPPE MAKES ASSIGNMENT TO THE CREDITORS

The doors of The Ladies Shoppe were closed yesterday following a voluntary assignment for the benefit of the creditors. E. R. Kenney of the Douglas Creditors association was named trustee to act for the creditors and took possession of the business last night. Stock is now being inventoried for future disposal and will probably be closed out at an early date. While the inventory is in progress the store is closed and no sales are being made.

Miss Minnie Bell, operating the Hat Shop, is in no way affected by the failure of The Ladies Shoppe. She conducts her business in the same quarters but is entirely separate from The Ladies Shoppe and is still doing business as usual.

PACIFIC COAST LEAGUE GAMES

(Associated Press Leased Wire)

Hollywood's grip on the coast leadership was yesterday cut to one game by the seventh place Portland Beavers, who hammered two Star twirlers for 15 hits and a 12 to 2 victory. Fred Ortman, Portland pitcher, blanked the Stars for seven innings and home runs by Elmer Smith and Mickey Heath gave the Beavers their only counters. Ortman held the home boys to eight hits and struck out four. Batteries: Ortman and Rego; McCabe, Hulvey and Agnew.

Los Angeles' activity in the ninth forced the battle with the Senators into twelve innings. The score tied at four-all when Sacramento came to bat, the Senators filled the bases only to have a triple play spoil their hopes. Each team got one run in the eleventh and Sacramento got the final count

in the twelfth to win 6 to 5. The Angels took an early lead with three runs in the first but that was cut down and the remainder was a pitching battle. Batteries: Keating and Severide; Koehler; Cunningham and Hannah.

A ninth run rally climaxed by Earl Averill's homer brought victory for San Francisco over Oakland, 6 to 5. The A's had a two run lead when the Seals came to bat, but a walk, double and the homer were too many for them. Cooper and Mitchell, both southpaws, battled throughout for supremacy. Batteries: Mitchell, May and Springs; Cooper and Lombardi.

The Beils took Seattle into camp, 14 to 1, with 24 hits to their credit for the nine inning fracas. Wilson and Jimmy Middleton, who followed him, were unable to stop the Mission bats. Wilson got the only run for the tribe, a homer. Clyde Nance, late of the Indian lineup, forced his former teammates to eat out of his hand and five scattered hits were all they could collect. Batteries: Nance and Baldwin; Wilson, Middleton and Cox.

BALL SCORES IN MAJOR LEAGUES

Yesterday the Philadelphia Athletics and the New York Yankees, fighting a two-day battle for the American League pennant, were cut down by foes they should defeat with little trouble, the Yanks bowing to the Washington Senators and the A's to the last place Boston Red Sox. These reverses left the A's two and a half games back of the defending champions. "Sad Sam" Jones, who once did his pitching chores for Miller Huggins, was the immediate cause of the Yankees' defeat at Washington. Sam allowed the champions 7 hits, won his game, 3 to 1 and would have had a shutout had not George Herman Ruth took it into his head to hit his 67th homer of the year in the seventh inning. Relief pitchers, in the end, decided the issue at Philadelphia where the A's were forced to accept a 3 to 2 reverse by the Red Sox.

Ed Morris, relieving Russell in

the last half of the ninth, struck out Joe Hauser, Tris Speaker and Eddie Collins in succession, to make the Sox one run lead safe.

The Chicago Cubs took undisputed possession of second place and advanced to within five games of the Cardinals by downing the Cincinnati Reds, 2 to 0, in a battle ended by rain at the end of six innings of play.

The Braves kept up their winning streak by defeating the Phils,

JEWELRY BANDIT IS KILLED, PAL FATALLY SHOT

(Associated Press Leased Wire)

LOS ANGELES, Aug. 30.—A daring downtown jewelry store holdup staged when hundreds of office workers were passing by on their way to work today ended when the guns of two policemen killed one bandit and probably fatally wounded his companion.

The robbers, Wallace Blondell, 28, and Max A. Boltzlar, 18, were shot several times.

The shooting, occurring at Sixth and Hill street, started a panic among the many persons going to work.

The two men entered the Metropolitan diamond shop, owned by Arthur Fenberg and Joseph Kahn. The proprietors were dressing the windows of their shop when one of the bandits covered them with his gun. The other scooped up a double handful of diamonds and slipped them into his pockets.

"Come on, kid," shouted the one carrying the diamonds, "let's get."

They rushed out of the store followed by Kahn who called for help.

Police Lieutenants Harry Wilde and Bill Thompson heard the shouts and ran to the scene.

Wilde fired twice and one bandit dropped to the sidewalk. Thompson shot the other robber three times.

The jewelry which was recovered was valued at between five and six thousand dollars.

BARE-LEGGED DAMES SHOCK LEAGUE OF NATIONS MEET

(Associated Press Leased Wire)

LONDON, Aug. 31.—An Exchange Telegraph dispatch from Geneva says that an international incident was narrowly averted in the council room of the league of nations today when three women, wearing exceedingly stylish seaside summer dresses, but minus stockings, strolled toward the diplomatic reserve seats.

League rules are very strict and the secretariat only recently issued a ukase, which was widely published, forbidding women with bare legs to come into the league building. The head usher consequently determined to take prompt action and informed the women that they could not be allowed in the council room.

The women protested vehemently and as they possessed the necessary guest cards, which incidentally had been given them by an important delegation, were finally admitted, creating somewhat of a sensation in the council room where the delegates were discussing means for the suppression of opium.

RE-SHINGLING?

Is an important subject under consideration by a great many people at this time of year. There are, of course, Shingles and Shingles, but like many other commodities a wide range in quality, both as to stock and manufacturing. Don't buy just "Shingles." That is the principal reason why a large percentage of roofs need reshingling in ten or fifteen years. If you will specify

"Milwaukee 5/2 Perfects" you will never have to consider the subject again.
