

Green Feed and Cod Liver Oil

Two very necessary ingredients in the ration for winter layers are now incorporated in the formula used in making UMPQUA EGG MASH.

This new laying mash fills a long felt need among poultrymen for winter feeding. Green feed is shorter this year than for a good many seasons, supplying this need the finest grade of alfalfa leaf meal is used.

Cod liver oil has long been recognized by colleges and leading poultrymen all over the country as a great help to poultry during the fall and winter months. The use of Coliverol in this mash insures retaining all the vitamins of cod liver oil, longer than the use of pure cod liver oil itself.

Coliverol, is not cod liver meal, but cod liver oil in powder form, it does not sour, it never gets rancid and it retains its food value longer than pure oil. It has been in use in the east for several seasons and what it has done there it will do here.

The cost of this feed is slightly more than our standard Umpqua Egg mash, but the value is there, it will get the best production out of your birds and at the same time bring them through the laying season in the best of health.

For the poultrymen who has his own green feed we will always have on hand our regular Umpqua Egg Mash, made in the same way as always.

Fewer Farmer Representatives in Legislature of Oregon; Only Four Democrats, One From This County

(Oregon Voter.)

The steady decline in proportion of farmers to total membership of Oregon legislature will be further accentuated in the 1929 session. In 1925 session, there were three more farmers in both houses than members of the next largest group, attorneys.

In 1925 session, the margin was reduced to one in favor of the agriculturists, a margin which in the 1927 session was reversed in favor of the attorneys, 25 to 24.

This excess of attorneys over farmers in the coming 1929 session, has been increased to 11, so long as a separate classification is maintained for nurserymen and dairymen.

Last session, 1927, there were fourteen attorneys and seven farmers in the senate. The 1929 senate will contain eleven and six of the same classifications. The number of attorneys in the next house of representatives will be 25, a gain of four over the same group two years ago, while the number of members whose principal interest in farming is exactly the same, seventeen.

We do not attach any particular significance to the exact proportion of members of these two leading occupations in different legislatures. The figures are presented for the purpose of making it clear that there appears to be a trend towards selection of a continually larger number of attorneys. In any one session it is quite likely that there will be a substantial number of members who, while not classed as farmers, have incidental agricultural interests and, coming from farming communities, are sympathetic with legislative and political aspirations of the agricultural group. Hence the exact proportion of total memberships represented in these classifications is meaningless in so far as it might indicate hard and fast lines of cleavage over legislative measures.

Politically the 1929 senate will contain 25 republicans and two democrats. The latter are Senator W. H. Strayer and Senator Edward P. Bailey. In the house, 60 members in all, there are only two democrats, Joseph N. Scott and Walter H. Fisher. Representative James H. Hazlett was originally classed as a democrat but bolted the party at the last election. He is now counted among the 58 republicans.

TWO CALIFORNIANS REPRESENT WEST IN AUDITION CONTEST

(Associated Press Local Wire)

SAN FRANCISCO, Nov. 19.—Two California singers, Miss Irene Kilgore, Oakland soprano, and Donald Novis, tenor of Pasadena, will represent the nine far western states December 16 at New York in the finals of the national radio audition contest.

The two were the emphatic choice of the radio audience of the western states as well as that of the judges. The listeners' vote counted sixty per cent and the vote of the board of judges, composed of two persons from each of the states, counted forty per cent. Miss Kilgore, who was announced as number 19 in the "San Francisco contest," sang the "Carmen" aria from Bizet's opera. She is a student of the University of California. Novis, a student at Whitworth college, who was announced as number 38, sang in French an aria from "Mignon" Lohengrin.

Second place winners also named alternates were Miss Helen Copeland, Arizona soprano, who

sang "To a Hill Top," as number 45, and Gordon Edwards Cross, Washington tenor, who sang "Watchman, Will the Night Soon Pass?"

The two winners go to New York for the finals at the expense of the Atwater Kent foundation, sponsor of the national contest. They compete with winners from the other four districts of the country. First place winners in the final will receive \$5,000 cash and a two year music scholarship. The second place award is \$2,500 and a one year scholarship, while the third place winner gets \$1,000 and a year's scholarship. Prizes of \$500 and \$250 are provided for fourth and fifth places.

WALTER HAGEN AND JOHNNY FARRELL TO PLAY AT EUGENE

Local golf fans are greatly interested in the announcement made by the Eugene Country club that Walter Hagen and Johnny Farrell, two of the world's outstanding golfers, are to play in Eugene Tuesday, Nov. 21. It is expected that there will be a large number of the members of the local club, and other persons interested in golf, attend the match. Hagen and Farrell will play an 18-hole match with Don Mac and Vincent Lohr, starting at 1:30 p. m. The Eugene club is endeavoring to secure a large gallery for this exhibition match.

JAPANESE MONEY FOR CHINA'S ROADS CAUSES FATAL RIOT

(Associated Press Local Wire)

LONDON, Nov. 19.—A Reuters dispatch from Nanking, China, today said there were semi-official reports of more than one hundred casualties during suppression of recent popular demonstrations in Harbin, Changchun and Tientsin, Manchuria, in favor of halting the nationalist flag in the three eastern provinces.

It appeared that the local consular force fired on crowds and tore down nationalist flags.

The report of the disturbances was very meager because the Manchurian authorities were stated to be suppressing all messages regarding the riot.

A message from a Japanese source stated that the object of the demonstrators was to protest against Japanese financing of Chinese railroads in the province of Kirin. This message added that there were 35 casualties in Harbin alone.

NOTED WOMAN OF SARGENT PORTRAIT GROUP DIES AT 57

(Associated Press Local Wire)

LONDON, Nov. 19.—Viscountess Grey is dead at the age of 57. The second wife of Viscount Grey of Pallado, former secretary of foreign affairs, died after a sudden illness at her home at Wilsford Manor, Salisbury.

The Viscountess was the former Pamela Wyndham, one of the three Wyndham sisters, whom John Singer Sargent immortalized in one of his greatest pictures. She was a talented writer and as a believer in psychical manifestations recorded in a book, the "Eastern Vessel," what she claimed were spirit messages from her eldest son by her first marriage, who was killed in the war. She was first married to Lord Glenconner, who died in 1920.

ANNUAL MINERAL PRODUCTION U. S. WORTH 6 BILLION

(Associated Press Local Wire)

WASHINGTON, Nov. 19.—The United States is producing minerals with a value of \$6,000,000,000 annually and is finding employment for a million workers in mines, quarries, coke ovens and metal plants. The figures were made public today by Scott Turner, director of bureau of mines, in connection with his annual report of the year's activities.

About 2000 men are killed and 200,000 per year injured in maintaining the output, and Mr. Turner described at length the continuing effort of the government, by mine rescue cars, by studies above and below surface, to reduce the life and limb cost of the minerals.

GRADING AIRPORT AT MISSOURI BOTTOM

The emergency landing field at Missouri Bottom is to be graded immediately and put in shape for use. The contract for the improvement has been let to Frank Hill of Myrtle Creek who also graded the Glendale field. This is the last of the emergency fields to be established between Roseburg and Grants Pass.

NOT FROM HER

SH. I only married you out of sympathy.

HE: Well, I got plenty of it.—T.H.B.

WHAT'S THE USE?

DESTITUTION: Yes, a few lettuce leaves, without oil, and a glass of orange juice. There, madam, that completes your daily diet.

MRS. OVERWRIGHT: Thank you so much, doctor, but I take this before or after meals.—Paxton Globe.

COUNTY BRIEFS

RIDDLE LOCALS

Mr. and Mrs. Ed Strickling of Roseburg were attending to business matters here Wednesday.

R. F. Nichols left for Portland Monday evening, where he was called to serve on the federal grand jury. He expects to be absent several months.

Mrs. W. C. Winston of Winston was a guest Wednesday at the home of her niece, Mrs. G. L. Grant, and other relatives.

Mrs. C. F. Sowersby, Mrs. P. W. Diddel, Mrs. O. V. Logsdon and daughter Rosemond, were shopping and visiting in Roseburg Thursday. Mrs. Sowersby attended a D. A. R. meeting held there that day.

Hal Winston of Winston and Mr. Busenbark of Melrose were interviewing the spring growers here Tuesday in the interests of the cooperative prune growers association being formed.

Tommy Gilmore, who spent the past year at Cordova, Alaska, arrived here this week to visit friends.

Mr. and Mrs. Al Tompkins made a business trip to Roseburg Thursday.

Reports from our neighboring community of Days Creek are to the effect that an epidemic of measles has broken out there and no school children are allowed to leave the community.

Roy Sackett and wife, Tom Sackett and Charles Dickens of Meritt, Oregon, were guests Sunday at the home of Mr. and Mrs. H. A. Crow.

Mrs. Earl Harber left Monday for Brentwood, Calif., to visit relatives for a few weeks.

Mrs. Johnny Lloyd and baby daughter of Klamath Falls are visitors this week at the home of Mrs. Lloyd's parents, Mr. and Mrs. C. M. Acker.

Mrs. Oma Kellar left Friday for Eugene, where she will be a guest at the home of Mrs. Blanche Schlenker.

Philip Blundell, who has been employed at The Fern, Roseburg, the past summer, is at present taking a trip through California, going as far south as Los Angeles. Later Mr. Blundell intends to return to his ranch here.

Mr. and Mrs. Harvey Brown came up from Roseburg Tuesday evening and presented a free picture show, dealing with forestry problems and fire prevention. A good sized crowd was present.

Mr. and Mrs. G. L. Grant, Mrs. O. V. Logsdon and Helena Riddle returned Sunday from a trip to Portland, where they visited the stock show. The party also visited at the home of C. A. Riddle at Lebanon while enroute to Portland.

Louise Jones of Peck is spending several weeks here recovering from an injury he received recently. While battling with a skunk at his home at Peck he stumbled backward over a jagged stump, breaking four ribs and otherwise injuring himself.

Earl Agre and family of Green were visiting with Mrs. Bertha Blundell here Sunday.

Mrs. Fred Ritzman and son Tom returned Wednesday night from an extended auto trip in the east. Snow was encountered on the way home, but they came through without accident.

Mrs. Edythe Kelley of Kelley's Corner, paid a fraternal visit to the local Rebekah lodge recently and gave a vivid report of her trip to the national association of Rebekah lodges. Mrs. Kelley's visits are always welcomed for she brings new life and enthusiasm and her talks are greatly enjoyed.

The Misses Mary and Margaret Billings of Corvallis came down Saturday morning to spend the weekend with their friend and sorority sister, Miss Evelyn Raymond. Miss Raymond entertained her guests with a house party Sunday and Monday at her home at Days Creek, at which Miss Helen Newton was also a guest.

The Misses Billings returned to Corvallis Monday evening and Miss Newton left for her home at Los Angeles Monday afternoon.

Miss Opal McCane, popular local girl, was married last Sunday evening to George Melanger, of Medford. After the ceremony the bride and groom, accompanied by friends, motored to the Rogue Elk hotel, where a wedding supper was served. After receiving from their friends, they came on to Riddle and were guests at the home of Mrs. George McCane, the bride's mother. The young couple will reside at Medford, where Mr. Melanger is employed at an oil station.

GREEN GLEANINGS

The regular P. T. A. meeting held on the first Friday of this month was attended by about seventy persons and friends. Two additional officers were elected, Mrs. S. M. Kelley as corresponding secretary and Mrs. J. J. Harding as historian. A congratulatory letter from the state treasurer in regard to winning the largest per cent of gain in membership was read. A pupils' contest for members recruited in a 24-23 per cent gain over last year. The next meeting was postponed until the first of Christmas week. The exact date will be decided later at the Sunday school will be usual in presenting the program and treat. At the close of the business session a social hour and sale of pins was held in the basement which had been decorated appropriately for the occasion.

MYRTLE CREEK SCHOOL BOARD TO PROVIDE FOR TRANSPORTING PUPILS

The Myrtle Creek school board has called a special election for Saturday, November 24, having for its purpose the securing of a mandate from the voters of the district authorizing the school board to pay a portion of the transportation cost of pupils from outlying districts to the Myrtle Creek high school, says the Myrtle Creek Mail.

Under the workings of the high school law, students of high school grades in the outlying districts adjacent to the Myrtle Creek high school may attend the said Myrtle Creek high school. Each student from these outlying districts brings into the Myrtle Creek high school around \$120 per year. And by the way there are at present some 25 of these pupils in our school, which means a considerable sum of money coming from this source.

Since the problem of transportation to and from the school is hard to solve for some of the pupils the school board in some cases has allowed the pupils a portion of this money they bring in to defray their expenses, or a portion of their expenses, to secure means of getting to the high school.

After making this promise to certain parents of pupils in the outlying districts, the school board has discovered that it acted without authority—that an affirmative vote of the people of the district was necessary before they could make such a proposition.

Hence, the call for this special school meeting November 24. If the voters grant them authority to act as they desire in the matter, all well and good. If they say no, that relieves the board of the obligation to pay for hauling the pupils.

A Blessing to Good Complexions

Protect your beauty in all kinds of weather with this new face powder—MELLO-GLO. Does not give the skin a dry feeling; does not clog the pores; is not affected so much by perspiration. Stays on longer. So pure and fine. MELLO-GLO is made by a new French Process. It's truly wonderful. Nathan Fullerton's.

THE EARLY STAGES

BRIDEGROOM: Would you mind if I went into a smoking compartment, dear?

BRIDE: To smoke?

BRIDEGROOM: Oh, no! I want to experience the agony of being away from you, so that the joy of my return will be all the more intensified.—T.H.B.
