RIVAL SCHOOLS PUT ASIDE FEUD FOR A FUNERAL

Animosities Forgotten At Memorial For Student Slain in Alabama.

KILLER WOE BESET

Scheduled Annual Football Game Will Be Played After Services Are Held.

(Associated Press United Wire)
BIRMINGHAM, Ala., Nov. 22.—A grief stricken student who shot and killed a boyhood chum in the frenzy of rivalry preceding the annual Birmingham Southern-Howard college football game, was in Gadsden today, to attend the funeral of his victim.

Meanwhile, student bodies of the two colleges, the former a Methodist school and the latter a Baptist, both of Birmingham, were planning to join in a memorial service for the slain youth. Montrea Freeman, Birmingham Southern freshman, who fell a victim of O. H. Westbrook, a Howard junior, Wednesday night.

Game Not Cancelled
The memorial service was decided after the faculties of Howard and Birmingham Southern and the student bodies of the rival institutions had reached an agreement with the Birmingham city commission not to cancel the annual game Saturday. The service will precede the game, and will take the place of the annual parade of the two teams.

An expression from the father of the slain student that he believed his son would have wished the game played is said to have greatly influenced college heads of city commissioners in finally consenting to the contest.
Slayer Freed on Bond
Westbrook was released on bond of \$2,500 yesterday morning and left Birmingham for Gadsden, to visit his relatives and to attend the funeral of the boy he had slain. Both Westbrook and Freeman resided in the same town and had known each other for years. Freeman was shot by Westbrook Wednesday night when he went to the drug store where the latter was working, and sought to force the Howard student outside, where several Birmingham Southern companions were waiting, "to clip his hair." Westbrook told police he had previously received a note stating "You are next," and signed "Birmingham Southern Committee." Westbrook said he was so frightened when the students from the rival school came for him that he did not know when he pulled the trigger.

Heading of students of the rival schools had been practicing for several days by students of Howard and Birmingham Southern, as a preliminary of the annual football game.

Credulity

"You can't believe what you hear," said Uncle Eben. "In a crap game, you gotta look at de dice an' never mind de bellarin'."

Another Sleepless Night

"For years I didn't know what a sound night's sleep was. I would toss and turn all night, getting up in the morning looking and feeling like a rag. To make things worse I was bothered during the day with a nagging headache, dizzy spells and indigestion. I was literally a wreck when I began taking ex-gall for my liver. I got it in the form of Dioxol tablets and had not finished one package before I felt like a new man. I began sleeping soundly at night and could work energetically through the day."

Your liver can have more to do with your health than you suspect! When the liver becomes sluggish it fails to cleanse the blood of the poisons formed in food waste. These poisons permeate the system, causing a toxic condition known as auto-intoxication. This in turn brings on nerves, sleeplessness, high blood pressure and diseases of the stomach and kidneys. Natural ex-gall, extracted from the liver of the ox, is recognized as the finest tonic for the human liver. It is a natural liver stimulant and literally rejuvenates that organ, which is so fundamental to the entire
