everywhere
in every State

The nationally famous *new* and *better* Texaco Gasoline and Texaco Golden Motor Oil are now available to every motorist in Oregon.

New distributing centers have been established throughout the State. New Texaco Stations have been opened. The spectacular sweep of Texaco over the Coast has been one of the outstanding events of the year. Introduced into this territory on a broad scale only a few months ago, Texaco has been received by motorists and dealers alike, with the warmest enthusiasm.

The Texaco Red Star with the Green T is now a familiar sight on every highway. It is the sign of a *new* and *better* gasoline and a sturdier heat-resisting motor oil. Try Texaco today.

The new and better Texaco Gasoline forms a dry gas. It is a true high test premium gasoline with marked anti-knock qualities—and no extra price. Uniform in every state.

Clean, Clear Texaco Golden Motor Oil has the full heat-and-pressure-resisting body to withstand hour-after-hour high speed driving—the perfect motor oil for modern engines.
