ARMADO BEATS SANGOR ON ROAD TO TOD MORGAN

Cuban Amazes Crowd With Knockout in 2nd Round —Loughran Whips Big Peterson.

By CHARLES W. DUNKLEE.
(Associated Press Sports Writer)

CHICAGO, Dec. 18.—A twenty-yearold Cuban youth named Jose Armando, fighting under the warlike nom de plume of Armando Santiago, today became the foremost contender of the world's junior lightweight championship as a result of his surprising two-round knockout victory over Joey Sangor of Milwaukee last night.

Sangor, hitherto regarded as the outstanding contender for the 130-pound title, was smashed to defeat in a spectacular battle that stunned the 10,000 spectators who filled the Coliseum. The freckled face Milwaukee boy had accepted the match merely as a warm up for his championship encounter with Tod Morgan, of Seattle, the titleholdetr, in Milwaukee on New Year's day.

Instead of finding Santiago a push-over, Sangor met a two-fisted fighter who traded punch for punch. By his spectacular knock out victory Santiago joined the pugilistic uprising that resulted in the elevation of Ray Miller, the conqueror of Jimmy McLarnin; James J. Braddock, who vanquished Tuffy Griffith, and K. O. Christner, who polished off Knute Hansen with a knockout.

The upset of Sangor was the feature of the revival of boxing at the Coliseum, which also witnessed the victory of Tommy Loughran, Philadelphia, world's light heavyweight champion over "Big Boy" Peterson of Minneapolis. Loughran, bidding for fans as a heavyweight championship contender, decisively beat his heavier and taller opponent in ten rounds, spotting him 17½ pounds in weight.

Loughran had the margin in eight of the ten rounds by his masterful boxing. In the third round he was forced to retreat because of blood that trickled into his eye. Peterson fought a courageous fight, always banging away with his right, but with Loughran dominating the fight.

Another upset was the defeat of Shuffle Callahan, the slugging southpaw middleweight, who was forced to surrender to Red Ross of Chicago in the seventh round, after hitting the canvas six times.

White Feather Exit

TORONTO, Ont., Dec. 18.—Ted (Kid) Lewis, former welterweight champion, walked out of the ring in the first round of his 10-round bout with Charley Belanger, Canadian light heavyweight champion, here last night.

The men had hardly squared off when Referee Lou Marsh ordered Lewis to remove a rubber mouthpiece. After some dispute the fighter obeyed. Then Marsh warned Lewis for fooling. The veteran of 250 or more ring encounters paid little or no attention and when Marsh broken up several clinches by main strength, Lewis held up his hands, hopped through the ropes and stalked away to his dressing room. Belanger was awarded the decision and the boxing commission announced Lewis' end of the purse would be turned over to charity.

Cuban Negro Wins

NEW YORK, Dec. 18.—Kid Chocolate, flashy little Cuban negro who has been cutting a wide swath through the ranks of the lesser bantamweights, has overcome the biggest obstacle encounter so far along his route to the top, Emil Paluso of Salt Lake City. The kid gave Paluso a terrific lacing through eight rounds of their bout last night, winning on a technical knockout when the referee decided Paluso no longer could defend himself and stopped the slaughter.

MARKET FLURRY HELPS BUSINESS, WHITING SAYS

(Associated Press Leased Wire)

WASHINGTON, Dec. 17.—Recent stock market fluctuations were declared today by Secretary of Commerce Whiting to have strengthened the business situation. Taken in consideration with other business factors, the secretary said, "The market fluctuations have operated to strengthen business conditions, by bringing stock prices down more into line with intrinsic security values."

"In the meantime," he added, "trade and industry are processing at record volume, particularly due to the retail trade of the season and the general confidence in stability of commerce because of the small accession to stocks of goods on hand."

NAME IS GUARANTEE THAT PRISONER TELLS TRUTH

(Associated Press Leased Wire)

CHICAGO, Dec. 17.—Exerpt for his name, a man arraigned in municipal court today on a charge of drunkenness might be serving a jail sentence on Christmas day.

"His name," the arresting officer told Judge Joseph L. McCarthy, "was staggering all over the street. We pinched him."

"I wasn't intoxicated, your honor," ventured the prisoner, "I was sick and became dizzy."

"You're not lying, are you?" asked the court.

"No, sir," was the reply, "my name is George Washington."

"Discharged," said Judge McCarthy.

NOTICE

After January 1, 1929, our minimum charge will be one dollar per month for hauling garbage from residences.

J. W. TEAGUE.

K. OF P. OUTLINES YEAR'S WORK AND ELECTS OFFICERS

A tentative outline of activities for 1929 embracing three major objectives were outlined before Alpha lodge, Knights of Pythias, following the annual election held by the lodge last week. The program will be formally presented to the membership at the first meeting night in January when the officers elected will be installed.

The program includes a membership increase of twenty per cent, and the cooperation of the lodge with the health preservation service adopted by the Supreme lodge at its last session and made available to all members of the order and their families. The lodge will also undertake some definite welfare activity for community betterment and will make a campaign to increase attendance at the weekly conventions through the efforts of a program committee to make these meetings of greater interest by introducing a variety of well planned and popular features, with special emphasis on social events for membership and their families.

"The Pythian order is expanding its welfare service to meet the economic demands of the times," said J. C. Houseolder, chancellor commander-elect. "By the enlargement of the health preservation program to include all members of the order and their families, a vast opportunity for a real benefit is offered every Pythian household. Our health and that of our family is the foundation upon which our happiness and prosperity depend. It is the duty of every member of this lodge to take advantage of the health service offered."

This program of better health is made available by the enlargement of a service hitherto given to members of the insurance department which by an appropriation of the supreme lodge has provided for a free health test to all members and their families.

Increased membership will be the main feature of the program. According to reports from Supreme and Grand lodge officers every lodge of theorder will fix a quota for the year and will carry on its activity until the quota is reached. A minimum increase of twenty per cent is meeting with popular response. If this feature is adhered to by the lodges a gain of from 100,000 to 150,000 will be made during the year.

"Better attendance because of a more diversified program and an extension of social events will be the first aim of the lodge," explained the chancellor commander-elect. "We must keep our members in touch with Pythian aims and benefits. No lodge can succeed unless the majority of its members attend meetings frequently. We will have a social committee whose business it will be to provide programs and entertainments for the members at regular meetings and to arrange social affairs for the entire Pythian family."

The lodge is making extensive preparations for an unusual ceremony early in January when the officers-elect will be installed. The following officers were elected for the ensuing year: Chancellor-commander, J. C. Houseolder; vice chancellor, J. S. McDonald; prelate, Stanley Bowden; master of work, M. R. Brown; keeper of records and seal, Geo. R. Ware; master of finance, E. H. Hutham; master of exchequer, B. W. Strong; master-at-arms, H. L. Connelly; inner guard, Ivan Brost; outer guard, C. W. Horner; trustee, C. W. Parker.

JUVENILE COURT WARD BELIEVED AN HEIRESS

(Associated Press Leased Wire)

ASHEVILLE, North Carolina, Dec. 17.—Elizabeth Wright, 11 year old ward of the Asheville juvenile court, is awaiting the arrival of a strong box key to learn whether or not she is to inherit a modest fortune.

Left destitute three years ago by her parents, she is believed to be the sole heir of her uncle, S. N. Gurley, who died here last week leaving an estate estimated at from $20,000 to $25,000.

Gurley is said to have left everything to his niece, but until the key to the strong box is found she will not know.

COURTEOUS BANDIT GETS ANOTHER PURSE

LOS ANGELES, Dec. 17.—A bandit whose courtesy is his weapon was listed for the fifth time in the past two weeks on police records here today, when Mrs. Earl Urwitt reported that she had been robbed.

The Beau Brummel chief stepped politely to the side of Mrs. Urwitt's car and informed her that there was a nail in the rear tire. He asked for a pair of pliers to remove it to avoid a puncture. When Mrs. Urwitt thanked him, reaching for the pliers, the bandit grabbed her purse and disappeared in a crowd. She found there was no nail visible on the tread.

ARMY WILL MAKE SUPREME TEST OF PLANE ENDURANCE

(Associated Press Leased Wire)

WASHINGTON, Dec. 17.—With the dawning of 1929 an army plane called the "Question Mark" is due to take off at Los Angeles on an endurance test flight which may herald another era in the rapid development of aviation.

Secretary Davis revealed today that the feasibility of refueling in the air will be tried on a big scale there shortly after daybreak on Jan. 1, with Major Carl Spatz, Captain Ira Eaker, Lieut. Elwood R. Quesada and Lieut. H. A. Halverson as pilots, and Sergeant Ray Hooe, as mechanic, aboard. The flight is intended both to put the modern airplane engine to the acid test of endurance and to determine the strain of protracted flight on the human system.

"There will be but one objective after the plane takes off at Los Angeles," Said Major General James E. Fechet, air corps chief, "and that is to refuel it when fuel is needed, and to keep the ship in the air until the motors cease to hum."

FOR EXCHANGE

Good large 9-room modern house in Salem, Oregon. Close in and good income property, also nice all modern 5-room bungalow both well located, to exchange for Roseburg city property, acreage or sheep ranch within 10 miles of Roseburg. Perrine & Marsters, 212 Gray Bldg., Salem, Ore.

CAT IMPRISONED TWO DAYS IN AUTOMOBILE

MARSHFIELD, Ore., Dec. 17.—For two days J. H. Mills, of Marshfield, was bothered by the sound of a cat's meow whenever he drove his car. Mr. Mills had about decided that the auto was possessed of devils. When he took it to a local garage today a mechanic, taking up the floor boards, found a black cat little the worse for grease, trapped between the floor of the car and the pan under the motor. The cat apparently had suffered no injury.

NOTICE

There will be no meeting of the Junior P. T. A. tomorrow evening because of influenza.

SUYS GAS FRANCHISE

NEW YORK, Dec. 17.—W. B. Forshay company of Minneapolis today announced purchase of gas property of Missoula, Mont., Gas and Coke company. The gas and coke company operates under a forty-year franchise, which has 22 years to run.

Constipated for Years Thought Bowels to Blame

"I was terribly constipated for years," writes Mrs. Anna Faubian of Oregon. "I tried all kinds of medicines but nothing did me any good until I tried Dioxol. I was completely relieved, and have told two of my neighbors who have gotten the same wonderful results."

It was no cathartic or laxative that relieved Mrs. Faubian of her long-standing case of constipation. So many sufferers of constipation attribute the trouble to the bowels and go on doctoring the bowels when the real cause lies in the liver. The function of the liver is to secrete bile which is a natural purgative for the bowels. The bile also acts as a digestant of fats and oils and as an antiseptic in the intestinal canal to combat the germs which tend to breed there. The liver should secrete a full quart of bile a day, but the liver of the average person secretes less than half a pint! There is your real cause for most constipation, for intestinal indigestion and putrifaction, all of which means self-poisoning — billiousness, headaches, tired feeling, lack of appetite, blotched skin and coated tongue.

Stimulate the liver naturally, increase the bile supply and you instantly solve most cases of constipation, back pains and headaches. This you can prove by taking Dioxol for a day or two. Dioxol supplies the liver with the natural elements from which it makes bile, restoring the bile flow to normal purifies the intestinal canal and promotes regular bowel action. Physicians regularly prescribe Dioxol as the solution to much of our ill health. Let a test in your own case show its results. Your druggist supplies Dioxol. Special agent, Chapman's Drug Store.
