Much interest is shown in and outside of the high school in the coming presentation of the junior class play, "Icebound," which will be given next Saturday evening in the senior high school auditorium.

both the professional and amateur stage and it is ranked among the highest of all plays for use in colleges and high schools. "Icebound" is a comedy-drama. It is a story of the stern, hard life of a New England family, the Jordons, who have lived for many years on a worn-out New England farm, grasping all they can for themselves from the soil and putting nothing back "except themselves when they die."

Like "crow buzzards"—to pounce upon her property. But after her death it is revealed that she has left her entire property to her servant girl—on condition. This condition and how it is carried to a happy ending when the icebound bunnies are broken, and the frozen hearts begin to thaw, makes up the theme of the story. Music for the play will be furnished by the high school orchestra under the direction of Mr. Louis Langenberg.

HENRY A. JONES, NOTED AUTHOR OF PLAYS, DIES AT 77

LONDON, Jan. 8.—Henry Arthur Jones, author of 70 produced plays, died at his home last night of a lung congestion. He was 77 years old.

of late years Mr. Jones had been writing of social questions rather than for the theatre and in the latest edition of "Who's Who" he described his recreation as "hunting Calbuco was active and torrents of burning lava had set fire to nearby forests. Rivers had been swollen and the flood waters were carrying dead fishes, lava and trees.

REEDSPORT BOY'S ARM AMPUTATED WHEN SHOT MAIMS

The right arm of Clarence Doan, 15, was virtually blown off shortly before noon yesterday at his home at Reedsport, says the Marsfield News, when a shotgun that the boy was handling accidentally discharged. The full load from one shell struck the boy between the wrist and the elbow.

The Other Pasture Looks Greener!

Mr. Shaw when informed of the death, said, "I have paid so many tributes to the work of Jones that I do not see why I should not pay tribute now when it cannot gratify him. We remained good friends to the last."

The father of Henry Arthur Jones was a farmer and his mother a farmer's daughter and it was not until he was 18 years old that he first set foot in a playhouse, being brought up according to strict Puritan traditions.

Two years after the production of his first play in London he was able to forsake his vocation of commercial traveler and devote himself entirely to writing for the theatre. Noteworthy among his plays were "The Evangelist," "The Liar," "The Evangelist," and "Cock o' the Walk."

U. S. INDIANS WORTH OVER BILLION AND HALF

WASHINGTON, Jan. 7.—Indians in the United States are worth \$1,648,975,274.

That is the total value of timber, oil, gas, coal and other mineral deposits, funds on deposit in the treasury and individual holdings of livestock and other property.

There are 355,000 Indians in the country, officials of the bureau of Indian affairs told a house committee hearing appropriation needs of the interior department, 119,355 are in Oklahoma.

As Indians are thought capable of managing their own affairs, they are given fee patents to their lands. Allotments have been made to more than 207,000 Indians, covering approximately 40,000,000 acres of land. Unallotted lands amount to 35,000,000 acres.

ELIHU ROOT ACCEPTS CHAIR ON WORLD COURT

GENEVA, Jan. 8.—Elihu Root, noted American statesman, has notified the League of Nations of his acceptance of membership on a committee of jurists appointed to revise the statutes of the world court.

The proposal for revision which emanated from the French delegation was adopted at the last assembly of the league with the idea that a new statute might be framed which would facilitate American accession to the court.

The provision that unanimity on the council would be necessary before advisory opinions could be requested of the court would solve the difficulty arising from reservations which the United States has imposed as a condition of membership.

CAPITALIST SEES GOOD TIMES SEEMING RIGHT ON

WASHINGTON, Jan. 8.—Barron Collier, New York capitalist, believes that prosperity will continue through 1929. He bases his belief on the results of observations made by members of his organization in 2,500 communities, these findings being compressed by Collier into a book, "How is Business in the United States?" the first copy of which was presented today to President Coolidge.

Mr. Collier said that there had been marked improvement shown in agricultural regions of the mid-dle and northern sections and that the weakest spots were in the coal regions, and parts of the lumber, fruit and vineyard sections.

Precautions against colds and "flu"

- Do these two things: 1. Protect nose and throat 2. Keep system in good condition

"I'm advising all my patients these days to keep Mistol on hand and use it regularly. The first thing in the morning before you go out. And again at night when you come home. It will do no harm. And then stop worrying. You've done all you can to safeguard yourself."

There's no need to get panicky because the papers are full of news of an influenza epidemic. There's no use in isolating yourself because a lot of other people are sick with it. If you take two simple precautions every day—and then don't worry—the chances are you will throw off any cold or "flu" germs you are exposed to, and keep well.

We're not recommending that you dose yourself with a lot of medicines, either. Just observe two common-sense health rules which can be easily followed.

FIRST of all, make sure your system is in first class order. Don't let it get slowed up or sluggish. See to it that it functions perfectly. The easiest way to get run down and in a condition to pick up disease is to neglect this all-important matter.

When you get a bottle of Mistol, get a bottle of Mistol, too.

Physicians agree that, particularly in times of epidemic, purging by laxatives and cathartics is not advisable. Many doctors are therefore prescribing Nujol, as in no case does it cause exhaustion or weakening of the system in any way.

Nujol can't possibly upset you or disagree with you. For it contains absolutely no medicine or drugs. Get a bottle today at your nearest drug store and start taking Nujol tonight as so simple way to keep fit and to protect yourself against influenza.

That's the first precaution. Now for the second. Keep your nose and throat well protected with Mistol.

"Put Mistol up your nose. There's a special dropper that comes in every package that makes it very easy to use. Just tilt your head back and drop it in your nose until you feel it in your throat. You'll notice the pleasant, cleansing effect as once. Mistol clears your head and makes breathing easy. It has a healing, soothing effect on the membranes and relieves any irritation or inflammation. It helps dry up a running nose. Use it, too, as a gargle. Mistol is good for a sore throat or hacking cough. And above all, protects the nose and throat against germs.

Each team is composed of eight players. The man with the ball can run only ten meters before passing, kicking or dribbling. He can pass in any direction, can be tackled and thrown by any number of opponents, but cannot attempt to throw the woged ball into the goal or kick it when within 20
