WHAT A MISTAKE!

CARUTHERSVILLE, Mo.—"Just a mistake" sent Peter Thomas, a negro, to prison for life. He was convicted of killing another negro in a dance hall shooting. The supposedly dead negro showed up here recently and Thomas has been freed. It was learned that the victim of the shooting had fled town, after the scrape, in fear of Thomas. "It was just a mistage," said S. I. Stiles, county prosecutor.

Harry C. Stearns' History of Roseburg and the State of Oregon

THE famous cry of "54—40 or fight!" was raised by the ultra aggressive element of the country, which felt that the United States should push its boundaries north to the Russian line.

Confronting this element on the other side was Great Britain, equally determined to force the line to be placed alongthe Columoia River.

Precautions against colds and "flu"

Do these two things:

1. Protect nose and throat
2. Keep system in good condition

There's no need to get panicky because the papers are full of news of an influenza epidemic. There's no use in isolating yourself because a lot of other people are sick with it. If you take two simple precautions every day—and then don't worry—the chances are you will throw off any cold or "flu" germs you are exposed to, and keep well.

We're not recommending that you dose yourself with a lot of medicines, either. Just observe *two* common-sense health rules which can be easily followed.

FIRST of all, make sure your system is in fine class order. Don't let it get slowed up or sluggish. See to it that it functions perfectly. The easiest way to get rid down and in a condition to pick up disease is to neglect this all-important matter.

Physicians agree that, particularly in times of epidemic, purging by laxatives and cathartics is not advisable. Many doctors are therefore prescribing Nujol, as in no case does it cause exhaustion or weakening of the system in any way.

Nujol can't possibly upset you or disagree with you. For it contains absolutely no medicine or drugs.

Get a bottle today at your nearest drug store and start taking Nujol tonight as the simple way to keep fit and to protect yourself against influenza.

That's the first precaution. Now for the second. Keep your nose and throat well protected with Mistol.

When you get a bottle of Nujol, get a bottle of Mistol, too.

Dr. David says:

"I'm advising all my patients these days to keep Mistol on hand and use it regularly. The first thing in the morning before you go out. And again at night when you come home. Don't be afraid to use it freely. It will do no harm. And then stop worrying. You've done all you can to safeguard yourself.

"Put Mistol up your nose. There's a special dropper that comes in every package that makes it very easy to use. Just tilt your head back and drop it in your nose until you feel it in your throat. You'll notice the pleasant, cleansing effect at once. Mistol clears your head and makes breathing easy. It has a healing, soothing effect on the membranes and relieves any irritation or inflammation. It helps dry up a running nose. Use it, too, as a gargle. Mistol is good for a sore throat or hacking cough. And above all, protects the nose and throat against germs.

"Don't wait till you begin to sneeze or your throat aches. Take my advice and get a bottle of Mistol today. Every druggist knows it."

The combination treatment of Nujol and Mistol is a double safeguard against influenza. Start this wise two-fold precaution now. Don't delay.

Nujol and Mistol are both made by the same famous laboratories, of the finest quality materials and with the greatest skill possible. Both preparations are harmless. At all druggists. Aren't they worth trying?

AL SMITH DONATES BOOK ROYALTY TO PARTY'S DEFICIT

(Associated Press Leased Wire)

NEW YORK, Jan. 17.—Alfred E. Smith has asked popular contributions to liquidate the $1,500,000 deficit incurred by the democratic party in his unsuccessful campaign for president.

In a radio address last night Mr. Smith deplored the practice of having a few rich men meet party deficits and also urged the need for continued activity of the party throughout the four years between national elections.

He said he had agreed to turn over royalty rights to a book of his campaign speeches to the national committee as his contribution to the party war chest. Copies of the book will be sent to each contributor who sends in two dollars or more toward meeting the deficit.

An important function of a minority party, Mr. Smith said, was to keep the people informed on what progress was being made toward the solution of national problems, as unbiased information could not be had from the party in power.

For this purpose he emphasized the need for year-around headquarters for the democratic national committee "where democrats throughout the nation may keep in touch with members of congress and the affairs of the nation."

"A political party that polls nearly 16,000,000 votes should be a tremendous factor in the politics of the country and the strength and force of that great body should not be lost by failure to maintain an organization which should enable them to make themselves heard and felt in the affairs of our nation," he said.

Mr. Smith omitted any reference to his own political future. The subject of his speech was kept secret until he began to speak over WEAF and 30 allied stations of the National Broadcasting company chain.

HOW TO FIGHT EXCESS FAT

There are hard ways, like starvation, but fewer and fewer employ them. There is a pleasant way, modern and scientific, which combats the cause. A vast number of people now use it. And the slender figures now seen everywhere are largely due to that.

That method is embodied in Marmola prescription tablets. People have used them for 20 years—millions of boxes of them. And everybody, in almost every circle, sees the change. New beauty, new health, new vitality.

Each box of Marmola contains the formula, also the scientific reasons for results. So users have no fear of harm. Learn the facts about Marmola, because of the good it has done. Ask your druggist—now—for a $1 box with the book. Then decide.

THREE ALDERMEN, TWO BUSINESS MEN ACCUSED OF GRAFT

(Associated Press Leased Wire)

MINNEAPOLIS, Minn., Jan. 16. Graft charges in city council dealings today had involved three aldermen and two business men in 12 bribery indictments.

The indictments were returned late yesterday by the Hennepin county grand jury and make a total of 16 since the inquiry was started by Floyd B. Olson, county attorney.

Aldermen involved are Fred A. Maurer, Frank E. Giebenhain and J. R. Sheffield. The business men are Morris Eisenstadt, president of the Liberty Dyeing and Cleaning company, and E. R. Scheefe, east side automobile dealer.

The indictments followed disclosures said to have been made to Olson by Louis H. Ritten, grain dealer and former alderman. Ritten resigned his council seat after appearing before the grand jury.

Giebenhain was named in six counts, all charging bribery in connection with fire department equipment purchases and sale of fire department property and with granting of licenses for a dance hall and a cleaning establishment.

KARASICK BEATS KAUFFMAN IN REAL CAVE-MAN BATTLE

PORTLAND, Ore., Jan. 17.—Al Karasick, Portland, won over Cleve Kauffman, Columbus, O., in their light heavyweight wrestling match here last night. That is, it was scheduled as a wrestling match, but the spectators were treated to a bit of everything from tossing each other through the ropes, kicking in the stomach and from the rear, gouging eyes, pulling hair, biting and scratching. It was a grudge affair from the start. At one time Kauffman dived from the ring in his eagerness to get at Karasick, who, after being thrown through the ropes, was sitting down for a little rest and had reached in his corner for his towel. Karasick took the first fall in 37 minutes 10 seconds with a series of flying headlocks after he had clipped Kauffman on the chin and sent him through the ropes. The blow dazed Kauffman and referee Chet Wiles assisted him back into the ring. Kauffman came back fresh and determined and took the second fall with a full Nelson in six minutes to 50 seconds. The final fall came so quickly many spectators were ignorant of what happened, when Karasick suddenly freed himself from another full Nelson and grabbed Kauffman around the neck with his two hands, and threw him over his head with a flying mare. Kauffman was stunned when he landed on his back. The time for the final fall was six minutes, 50 seconds.

Ray Lyness, Vancouver, Wash., took one fall and the decision from Sailor Pete, Portland, in the preliminary.
