

TWO BASKETBALL GAMES SCHEDULED FOR THIS WEEK

Basketball fans will have an opportunity to see two games this week, one on Friday night at the Junior high school and the other at the Senior high school on Saturday night.

Woodrow Wilson high, their first game away from home. As Woodrow Wilson high has also beaten the Roosevelt school team, it would appear that the Roseburg and Eugene teams that will play here Friday night are very evenly matched.

The Senior high school team goes to Coquille tomorrow to play another conference game, and will go against Grants Pass on Saturday night. Roseburg played one game with Grants Pass earlier in the season. The local team is playing very fine basketball at times, showing flashes of championship style, but has not been consistent in its work, showing a tendency to become erratic in the pinches.
