TWO WOMEN CLAIM TO BE MARRIED TO FLIER LOU FOOTE

(Associated Press Leased Wire) NEWARK, N. J., Mar. 20.—Two women today were claiming to be the wife of Pilot Lou Foote, sole survivor of the plane crash Sunday in which 14 were killed.

A telegram from Turlock, Calif., inquiring about the condition of Foote, who was severely injured in the crash identified the sender as the wife of the pilot.

The woman known here as Mrs. Foote said at her hotel that Foote had a divorced wife and seven-year-old daughter in Turlock, Calif., and that her own marriage to Foote took place in that state. At the hospital Foote was said to have a chance for recovery.

TURLOCK, Calif., Mar. 20.—Mrs. Lou Foote of Turlock, estranged wife of the pilot who was seriously injured in a plane crash at Newark, N. J., Sunday in which 14 lost their lives, will take her five-year-old daughter to his bedside if he requests it, but will not go alone, she said yesterday.

"I am only one condition would I go back to the bedside of Mr. Foote," she said in denying statements previously attributed to her that she was going east immediately. "That condition is that if his dying wish were to see his baby girl, I would go back then as it would be the only decent thing to do, but I would not go back alone."

"I am not weeping or crying around for him," Mrs. Foote, who obtained an interlocutory decree of divorce from Foote on charges that he ran away with a Merced woman, branded the "Mrs. Foote" with the ill-fated flier as "a fake."
