100-TO-1 HORSE CAPTURES GREAT BRITISH EVENT

AINTREE, England, Mar. 22—Graham, an outsider, won the great grand national steeplechase today. He was not one of the American entries. He is owned by Mrs. M. A. Gemmell and was a 100-to-1 shot. Everett was the rider. Heater, owned by J. H. Whitney, an American sportsman, was leading the field at the end of the first round of the two-lap course but was beaten out in the second time around. He maintained his lead over the canal which marks the three-quarter point in the race and cleared others of the big jumps in brilliant style, only to lose out in a furious finish.

The horses were falling like ten-pins all around this pair as they raced along in the lead and with a few barriers yet to be cleared, Easter Hero had been the favorite at nine to one and was ridden by J. Maloney.

TEXACO GAS STILL SELLING AT 16 1/2

PORTLAND, Mar. 22—Gasoline could still be obtained for 16 1/2 cents a gallon in Portland today, but only from the stations operated by one oil company. Of all the major distributors, Texas Oil company alone maintained the 16 1/2 cent price, all others having advanced to 22 1/2 cents. One Texaco station broke two pumps selling motor fuel to eager customers late yesterday and early today. Automobiles continued driving up to the station until 3 a. m.

There were reports today that other dealers handling other gasoline as well as Texas were meeting the price, and that some who display no signs were selling at 16 1/2 cents.

In Vancouver, Wash., most stations were selling at the 16-cent rate, and one station was selling at 13 cents.

Before and After Childbirth

"I took Lydia E. Pinkham's Vegetable Compound before my first baby was born and I am taking it now for my weakened condition after the birth of my second boy. Although I never have put on any flesh I am feeling good now and the Vegetable Compound has helped me in every way. It is surely a wonderful medicine and I will be glad to answer letters for I recommend it highly."—Mrs. Fred W. Davey, Madison, Kansas.
