Weak After Operation

"About five months ago, following an operation for appendicitis I did not gain strength enough to be up and about. My mother and sister advised me to take Lydia E. Pinkham's Vegetable Compound. I have taken five bottles and it has helped me to get strong so I can do my own housework now. I have recommended it to several friends who have been weak and rundown."—Mrs. Oscar Ottum, Box 474, Thief River Falls, Minn.

And by roasting coffee by their patented, continuous process — a few pounds at a time, instead of in bulk—Hills Bros. roast every berry evenly. The result—you taste a flavor no other coffee has.
