Noted Violinist to Appear Here With Concert Orchestra

Since the inception of the Philharmonic orchestra Henry Svedrofsky has been numbered among its personnel as assistant concertmaster. At the beginning of the 1928 season Mr. Svedrofsky was given the post of concertmaster, which he has filled most successfully. Before joining the orchestra the artist was actively engaged with concert work in New York, where he created much attention as soloist and as a member of leading orchestras. Upon his graduation from Vienna Conservatory he was awarded an extraordinary recognition, highly prized by musicians, a gold medal, bestowed only on candidates of exceptional musical ability and violinistic merits.

Musical lovers will enjoy a rare opportunity May 1 with the appearance of the Philharmonic orchestra here. The concert would be noted as an important musical event in a metropolitan city and it is seldom such an organization is heard in a smaller community.

The personnel of the orchestra is of the highest artistic caliber, each member being carefully chosen for the sole purpose of fitting into the organization in a way to maintain the highest standard.
