YONCALLA GRADE SCHOOL STUDENTS PRESENT PAGEANT

YONCALLA, May 8.—Friday evening, the students of the grade school put on a musical fairy play, which was the best thing Yoncalla has ever witnessed. 'Twas a mid-summer eve and the earth children made merry. There was a cowboy and Dutch dance, followed by the winding of the Maypole. Shirley Conner took the part of Dorothy, a small child who was lost in a forest. Will-o'-Wispes trolicked on the green. The May queen, Rosa Davis, then entered. Harold Edes acted as herald and led the procession. Two little flower girls, daintily dressed in lavender dresses, preceded the queen, carrying baskets of flowers. Two little boys, dressed in white, carried the queen's train. Fairy flowers danced and played. Edes entertained the princess. Little Virginia Rhinesmith danced a dainty little solo dance. The Spirit of Dawn, Miss Beattie Walm, warned the court that dawn was approaching, and they all hastened away. The play was given in the high school gymnasium, and a crowded house witnessed this wonderful play.
Too much praise cannot be given to the teachers who so faithfully worked to make this play such a success.

PAIN IN YOUR SHOULDER? Use Tysmol for Relief
Knife-like jabs of pain in the vicinity of the shoulder are generally due to neuritis, brought on by exposure to draughts or sudden changes of weather. In some cases there is stiffness or soreness in the muscles, making it difficult to raise the arm.
The safest and easiest way to relieve such attacks is to apply a small quantity of Tysmol over the affected area. This soothing, healing preparation is quickly absorbed through the pores and carried to the throbbing, aching peripheral nerves. The pain usually stops at once and in a very short time the last trace of soreness should disappear.
Tysmol is absolutely harmless—free from drugs. Decomposition is prevented by neuritis, whether caused by neuritis, neuralgia, sciatica or rheumatism. Sold by leading druggists. Always on hand at
