JUNIOR BASEBALL TEAMS TO PLAY OVER WEEK END

During the next two weeks, the junior baseball teams sponsored by the American Legion, anticipate the playing of a 120 schedule of games over each week end. Next Saturday the following games are scheduled:

Myrtle Creek vs. Oakland at Oakland.

Sutherland vs. Willam at Willam. East Roseburg vs. Glendale at Glendale. North Roseburg vs. West Roseburg.

Riddle vs. Dilford at Dilford. Friday, May 10—N. Roseburg vs. East Roseburg.

A week from Saturday the strong set teams in the league and selected players from the weaker teams will play a three-game schedule at Roseburg to decide the league champions.

The junior league committee has requested the assistance of the various junior leagues and high school coaches to select the team which will represent the county and Empire Post No. 14 in the district and state championships. This selection will be made during the final series at Roseburg.

The games so far indicate that an exceptionally strong team will represent this section. Fourteen players must be selected by May 20 and the followers of the junior baseball teams are confident that the team will make a fine showing in the district playoff.

Coach Furrow of the senior high school at Roseburg has granted the use of the senior high school stadium Friday and Saturday for the next two weeks. This will greatly assist the junior league players as they have been handicapped by the fact that this is the only suitable ground in Roseburg at the present time.

Are You Well and Strong?

"Before my third baby was born my husband advised me to take your medicine and he bought me three bottles of it. When I had taken the first one I began to feel better so I kept on during the whole period. We have a healthy baby boy and we are so proud of him and praise Lydia E. Pinkham's Vegetable Compound for the help it gave me. I feel lots stronger since I started to use it and would not be without it."—Mrs. Frank Laker, R. No. 1, Box 58, Lankin, N. Dakota.

The baker said, "Well, honey, let the sister that the flour comes out. I've pleased at meeting all of you. At least I'm going to try. You're always good of little things, and you are surely good. You've come to have my baby good. I'm sure you'll find some kind of it. You'll search both low and high." So, while the other merry three got just as busy as could be, we said, "Scouts, and if you don't mind, we'd like to help you if there is a thing that we can do. We're always glad to do our share, and honestly we do not care how hard it is. It's really fun to work at something new."

The baker smiled and said, "Let's see. If you insist on helping me, three of you kids can build the fire that makes my oven heat. The other one with me can go and sell the flour that makes my dough. Then shortly we will have some bread that you will find a treat."

"Then Cloway shouted, 'I will do it. I'm not too small to'."
