HOUSE IS READY TO PUT QUIETUS ON DEBETUS (Continued from page 1)

be placed on bids and higher duties should be assessed on livestock.

Other Items Assailed—Tariff schedules proposed by the house ways and means committee on building materials and sugar are receiving close scrutiny at the White House with clear indications that they fall to meet with the entire approval of President Hoover.

Objection has been raised in administration quarters, particularly to the duties on cement and brick, which are taken from the free list, so as to protect eastern seaboard and gulf coast manufacturers from Belgian competition.

The proposed duty on shingles also is being closely studied with some administration officials expressing apprehension today that the effect might be to turn over the whole roofing industry in this country to the patent shingle manufacturers and thus destroy the wooden shingle industry.

Advisers of the president are undertaking to work out a substitute for the sugar schedule on the basis of sliding scale of duties which the highest rates operative only under conditions of the heaviest sort of competition with the American cane and beet industries during years of excessive production in foreign countries.

WASHINGTON, May 13.—Three measures designed to prevent corruption in political campaigns were advanced today by Senator Cullen, republican, New Mexico.

One of the proposals was a constitutional amendment to give Congress unquestionable supervision over nominations of all federal officials, both in primaries and in conventions.

The second, also a constitutional

amendment, would impose a penalty of ineligibility upon any candidate who, in a campaign for nomination or election, violated laws governing those events.

The third was a bill to create a federal commission of elections. It would be a fact-finding agency charged with auditing and verifying all nominations and elections.

All of the measures were introduced by Senator Cullen in the last congress, but he found that it was impossible to get action on any of them.

EDWARD VON PESSL IS BURIED SUNDAY

Funeral services for Edward F. Funeral arrangements were in charge of H. C. Stearns.

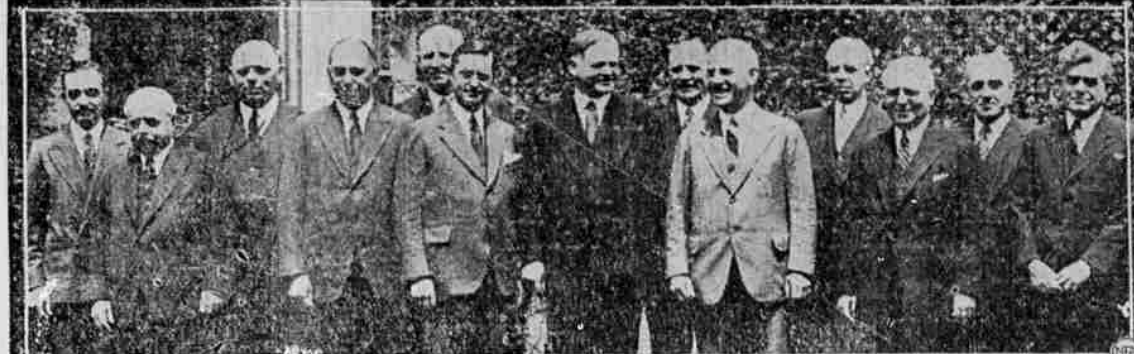

NEWLYWEDS DROWN IN LAKE OUTING

SPOKANE, Wash., May 13.—Mr. and Mrs. Bert Copenhaver of Spokane were drowned in a storm on Pend Oreille lake, near Bayview, Idaho, yesterday, searchers reported today after scanning the lake all night.

The couple, who had been married two weeks ago, embarked in a small boat yesterday morning. About 3 o'clock in the afternoon a storm broke, and shortly afterward their overturned boat was found, a mile from the shore.

Copenhaver and his bride, who was Beulah Turner, had gone to the lake for a fishing trip with Miss Erna Goes and Harry Bates. Copenhaver worked for an engraving company here.

HERE'S A PICTUREFUL OF MOTOR MILLIONAIRES

You're probably driving one of their cars. For most of the leading automobile manufacturers of the country—and many, many millions of dollars—were represented in this gathering upon the White House lawn. Attending the meetings of the National Automobile Chamber of Commerce in Washington, these manufacturers called upon President Hoover to recommend the creation of a national transportation board. Left to right are Edsel Ford, president of the Ford Motor Co.; F. A. Selberling, president of the Selberling Rubber Co.; Alfred H. Swayne, vice president of the General Motors Corporation; Walter P. Chrysler, president of the Chrysler Corporation; A. B. Krohn, president of the Studebaker Corporation; Roy D. Chapin, chairman of the board of the Hudson Motor Co.; President Hoover; G. W. Nash, president of the Nash Motor Co.; Alvan McCauley, president of the Packard Motor Co.; F. J. Haynes, president of the Durant Motor Co.; John N. Willys, president of the Willys-Overland Co.; H. H. Rice, assistant to the president of the General Motors Corporation; A. J. Brossard, president of Mack Trucks.

4 DOUBLEHEADER VICTORIES SUNDAY IN COAST LEAGUE

(Associated Press Leased Wire) Two clubs of the Pacific Coast league occupied the limelight in yesterday's play among the eight teams. They were the league leading Mission Reds who twice in the day defeated the Sacramento Senators, and the last but not least Seattle Indians, who walked off with the Sunday doubleheader.

Oakland's Aecorns scored a double victory over the Hollywood Stars and the Portland Ducks twice defeated the Los Angeles boys. It was a most unusual day of baseball for the coast league. Seldom has a day's play resulted in so many double victories.

The games won by the Mission Reds yesterday put that club six wins ahead of their two nearest rivals, the Oaks and the Angels who are tied for second place in the league standings. The Missions' total victories thus far are 33 games, with only 11 lost. All other teams in the league have lost nearly twice that number.

In the morning game the Reds won 10 to 4, while in the afternoon game they improved the score making it 11 to 2. The two wins left the Missions a clean sweep on the week's work giving the Reds 7, and the Senators a goose egg.

The two Seattle-San Francisco games provided a thrilling finish to the week's series. The Indians from the north won the morning encounter 4 to 1, and the afternoon affair 9 to 6. However, the Seals won the series 4 out of 7. Albert Fleck, a rookie pitcher obtained from the Three-Eye league, held the Seals to but two hits in the morning game.

Oakland won 4 to 2 in the morning and 6 to 5 in the afternoon, from the Hollywood stars, to make it six victories out of seven for the week.

Portland took the first game from the Angels 6 to 5, and the second 5 to 0. Los Angeles won the series 4 to 3.

SUICIDES FROM LIBERTY STATUE

NEW YORK, May 13.—An unidentified man committed suicide today by leaping from the Statue of Liberty, on Bedloe's island, to the rocky base. He apparently jumped from the head of the statue, 300 feet above the rocks, although police said it was possible he leaped from the torch, which is considerably higher.

BACHELOR KING OF BULGARIA SOON TO WED, IS RUMOR

(Associated Press Leased Wire) PRESIAV, Bulgaria, May 13.—There were various things in the air today to indicate this country might not have to wait long for an announcement of the betrothal of its king, Boris.

Some even looked for such an announcement Wednesday, the anniversary of Bulgaria's freedom from the Turks and fete day of the six-day celebration in progress here in commemoration of reign of King Simeon the Great, a millennium ago.

In hucharest reports from Sofia were heard that, although officially denied, the engagement of the king and Princess Giovanna of Italy would be announced Wednesday.

King Boris has long been known as Europe's bachelor king. He is now 35 years of age and has reigned alone since 1918. Constitution at requirements that the king—in this case the king of the future or Boris' heir—must be reared in the national church have operated against the marriage of Boris and Giovanna or other princesses with whom his name has been linked. The Roman Catholic church, for instance, has refused to acquiesce in this in Princess Giovanna's case.

ALIEN PASSPORT STATUTE HOLDS

(Associated Press Leased Wire) WASHINGTON, May 13.—The supreme court today refused to review its recent decision regulating the crossing of the border by quota aliens residing in Canada who desire to enter without passport visas in search of work.

The supreme court today ordered for rearrangement on October 21 next the appeal of the Ann Arbor and other railroads seeking to prevent a reduction in the rates on deciduous fruits shipped out of California.

BOAT STILL BURNING

VICTORIA, B. C., May 13.—The Pacific Steamship company's motor-boat Boobyall, which caught fire Saturday morning off Discovery Island, in the Strait of Juan de Fuca, was burning fore and aft today off Albert head, where she was towed after an unsuccessful fight to control the flames in Esquimalt harbor. Her fuel tanks had not yet exploded.

Klamath Falls—\$75,000 brick building being erected on Main street; will be occupied by Montgomery Ward store when completed.

AIR PATROL WILL ASSIST IN WAR ON LIQUOR RUNNING

(Associated Press Leased Wire) WASHINGTON, May 13.—Combined efforts of three branches of the treasury will be put forth this summer to stop smuggling of liquor across the Canadian border.

Assistant Secretary Lowman said today the prohibition service in addition to increasing its agents along the border will employ airplane patrols to search out and report efforts to run liquor across the line.

Customs agents in the northern states also will exert efforts to stop smuggling in their territory while the coast guard will send out river and lake patrols to make it increasingly difficult for rum runners to carry on their operations. Forces which are concentrated

in the south in the winter are being transferred to the north. Lowman said, with all three branches cooperating against the smugglers. The assistant secretary said that his forces looked for an increase in tourist travel along the border this summer which would add to the work they must do.

Both the customs and prohibition services have materially increased their personnel along the border, this being made possible through additional appropriations for prohibition enforcement contained in the last deficiency appropriation bill.

SOCIETY

By MILDRED BYNON The May luncheon for the Eugene club, daughters of the Nite, is to be an interesting event of the coming Friday when the Roseburg club members will be entertained. A luncheon is planned for one o'clock at the Osburn hotel.

Jessie Gibbs and Frances Butner of Roseburg took part in the annual May dance festival given before several hundred mothers who were special guests at Women's Week-end at the Oregon State college. The program consisted of five groups of dances which included individual dance dramas and lyrical interpretations of music.

Mrs. John Runyan of Roseburg was elected vice-president of the "Oregon Mothers" a newly formed organization on the University of Oregon campus. Mothers on the campus from this city for the annual Mothers' Day week-end were Mrs. Emma Pitchford, Mrs. D. V. Rosenbark, Mrs. E. E. Judd and Mrs. Runyan. Mrs. Judd was made a member of the executive committee of the new organization.

Mrs. Charles Heintline will present students in piano in recital on Tuesday and Wednesday evenings of this week. Last week two interesting and varied programs were given by Mrs. Heintline and this week's recitals promise to be quite as entertaining. On Tuesday evening the small children in the Melody Way classes will appear and on Wednesday the advanced students will present a program assisted by the American Legion Auxiliary quartette.
