ADVENTIST SCHOOL SUTHERLIN HOLDS CLOSING PROGRAM

(News-Review Douglas County Special)
SUTHERLIN, June 1.—The Sutherland academy closed its year's work Tuesday evening, May 28, by a combined program of its graduating class exercises and the commencement address, with presentation of certificates, etc. The school chapel was simply and tastefully adorned, mainly with seasonal flowers.

The graduates were as follows: Fourth grade: Virgil Francis Hanson, president; Ivan Eugene Holm, Lottie Carson and Nellie Baldwin of Sutherland and Tressa Hash of Roseburg. English grade: Pauline Luechterman of Oakland and Leiland Paddock and N. Alverne Holm of Sutherland. All had parts in the class program except Miss Carson and N. A. Holm.

The president of Southern Oregon Conference of Seventh Day Adventists, Elder T. B. Westbrook, of Eugene, gave the graduation address which was very comprehensive on the subject of education and what it is and means. True education, he said, is the gospel of good news to the world. The greatest leading minds have been educated as Moses in the law age. Daniel of the prophetic period and Paul in the Christian age. None, aside from the great teacher Jesus, have been greater. There is, it was emphasized, the greatest necessity for a three-fold physical, mental and spiritual education in order to best meet the requirements for good, loyal citizenship in this world and a preparation for the better and eternal world to come.

Mrs. Westbrook, after some excellent remarks on an educational work, as head of the church school presented the well-earned certificate.

The special music included an opening march by Harold Sandurik, "The Princess of India," given by a five-piece orchestra; girls' chorus, "Lift the Cherub Host," and other selections. Mrs. R. H. Chamberlin and Gilbert Wood of Roseburg assisted with the music.

H. E. Goffar, the intermediate teacher, pronounced the benediction in conclusion. The program marked the end of the academy school year.

Our Birthday TODAY

Our Birthday TODAY

A Year of Achievement and Growth

It is just twelve months today since the Southern Oregon Gas Corporation took over the local plant and began laying the foundation of what has been a year of progress and development, resulting, in our expansion program, the general satisfaction of gas users in the city, a material branching out of gas mains and laterals, better equipment and manufacturing facilities and an appreciated demand from un-served sections for gas service.

Gas Service Now Efficient

Several thousands of dollars have been expended during the past year in bringing our plant up to its present efficiency, and it is the ambition of this corporation to maintain its enviable position as a material factor in Roseburg's growth and prosperity.

How to Quiet a Back Seat Driver

"Slow Down!"—"Be careful of these turns!"—"For Heaven's sake, John, do you want to kill us all?" In a lot of cases, there's probably an excuse for that sort of thing. But if your wheels are equipped with the new and improved "Kelly Registered" tires even the people in the back seat can have complete peace of mind, for Kellys are rugged—built to insure perfect safety under modern driving conditions.

Come in, we will be glad to show you our line of Kelly-Springfield tires.
