SHRINERS THRILL LOS ANGELES WITH SUPER-PAGEANTRY

54 Temples Represented in Parade of Three Hours - Money Donated to Hospitals.

(Associated Press Local Wire) LOS ANGELES, June 6.—Seventy-five thousand Shriners here at their 55th annual convention prepared to drop the curtain today on a week of fun making. With the post of outer guard, only contested office of the imperial council, filled by Walter S. Sagon of Wheeling, W. Va., who was elected at yesterday's conference, there remained but two more functions—the installation of the thirteen officers at high noon.

Harold Thomas of this city returned to his home here after attending school at Oregon State college at Corvallis for the past school year. George Churchill also returned from the college to spend the summer here.

Miss Ruth Collins of this city has returned from Corvallis where she has been teaching the past winter. and selection of a 1930 convention city. In as brilliant a parade as this city probably ever has seen, 10,000 Shriners made a final gesture before thousands of spectators last night. Under the dazzling beams of arc lights, the Shriners staged their official review down Figueroa street. The bands, patrols and choirs of 54 temples marched by street throngs and into the coliseum before nearly 70,000 spectators for three hours. With their uniforms flashing every color of the rainbow under the streaming lights, the paraders made an impressive sight of pageantry augmented by drilling formations which thrilled the crowd with their intricacies. To match the splendor of the Shriners parade, the motion picture industry prepared to flash 14,000,000 candle power on nearly forty floats, all traveling with mobile generators and displaying nearly every trick of colored lighting known to the skilled technicians of the studios. The display, which also will include the presence of a score of famous motion picture stars, is estimated to have cost \$250,000 and was made a gift to the Shriners by motion picture magnates. Each float will portray a scheme of adventure or beauty—drivable flights over the North Pole, the flight of a rocket, or gigantic flowers filled with fair actresses. Choice of a convention city apparently lay between Toronto, Canada, Minneapolis, Minn., and Atlantic City, N. J., with a noticeable strong leaning toward the famous New Jersey ocean resort. The adjournment of the convention will bring no change in the 1929-30 program for the Shriners' hospital for crippled children. Individual donations of \$165,000 toward the Shrine hospitals for crippled children were announced by the board of trustees. A recommendation to the imperial council that \$600,000 additional appropriations for the extension of hospital facilities be added to the \$1,250,000 annual appropriation was made by the trustees but was tabled.

Mr. and Mrs. Washington Hughes of this city have as their house guest today and Friday, Miss Luella Markley of the University of Oregon. Miss Markley arrived in the city today with Miss Daphne Hughes also a student at the university. Miss Markley is a charming young lady popular in campus affairs and a graduate of this year's class. She will return to Eugene for the graduation exercises Saturday and will then journey on to Kimball, Nebraska, where she makes her home.

A delightful event of the past week was a birthday surprise given at Coles Valley honoring Miss Lorraine Bacon. The guests gathered at the home of Mrs. Margaret Hannon where the evening was spent in games and a musical program. A delightful lunch was served at small tables centered with pink sweet peas and candles in pastel shades.

Mr. and Mrs. M. T. Dawson entertained at dinner Wednesday at their country home for Mrs. J. M. Agnew and her home guest, Mrs. J. A. Thorson of Redmond, and Frank Rowland. Several guests were invited to meet the honor guests and a delightful day was enjoyed.

The Umpqua Squaws will serve strawberries and ice cream and coffee on Friday and Saturday in the building formerly occupied by the Quine Insurance company on Jackson street. Booths will be arranged and it is expected that many who attend the Strawberry carnival each year will enjoy the feature.

The baby parade scheduled for Saturday morning is arranged and under present plans will be an interesting event of the week and in the event of rain will be staged at the armory.

Mrs. H. A. Canaday of this city has as her house guest Mrs. Joseph Shockley of Portland. Mrs. Shockley will return to the metropolis the latter part of this week.

The valleys in Tibet are higher than the tallest peaks of the Rockies.

50 Years on Job

George E. Woolley of Salt Lake was absent from his work in the U. S. land office just three days in 30 years—which is some kind of a record. Recently he completed 50 years of government service.

New Orleans has the world's largest mahogany distributing plant.

U. S. MAY PURCHASE PATENT RIGHTS OF FEDERAL TEL. CO.

(Associated Press Local Wire) WASHINGTON, June 6.—Details of an agreement by which the navy department in 1918 acquired radio patent rights of the Federal Telegraph company for \$1,600,000 in a successful attempt to prevent it from going over to foreign control have been laid before the senate interstate commerce committee by Lieutenant Commander Harold Dodd, of the navy.

Another agreement, Dodd said, was made in 1921 by which the radio rights were released to the company so that it could start a trans-Pacific service to China with the approval of the state department. Dodd said the navy received no direct return for this agreement except the advantages that were to accrue from the development of the service. He added, however, that the government had received the benefit of all patents taken by the company both before and after the agreement in 1918.
