(Associated Press United Wire)  
HOLLYWOOD, Cal., June 6.—Motion picture producers, following a lengthy conference that extended throughout the evening and into the early morning hours today, virtually threw down the gauntlet to the Actors' Equity association. ## Markets

(Associated Press United Wire)

PORTLAND, Ore., June 6.—Egg and butter prices were unchanged today. Receipts were normal and storing was progressing fairly well. Butter was moving in large volume, while the egg storage was reported somewhat below that of last year at this period.

This appears to be a lower tendency in both live and dressed turkeys due to increasing supplies.

Strawberries were firmer, because the continued cool weather was retarding the ripening process.

## THE FINYMATES

## READ THE STORY, THEN COLOR THE PICTURE!

The Finymates watched the scarecrow pop up he was tired and had to stop. And then they heard him meowly say, "Please take me off of here. Upon this post I've been so long that I am weak instead of strong. If someone doesn't help me I am sure I'll shed a tear."

And so the bunch rushed up to help. The queer scarecrow began to yelp. "Don't tickle me! It makes me shudder. I fear I'll break in two. I'm tied so please untie the rope. Then I'll get off of here, I hope." The Finymates agreed this was the wisest thing to do.

They cut the rope and down he fell. Right quick they heard the scarecrow yell, "Oh, thank you, lads. Now help me up and that will be just grand." They helped him to his feet and then he flopped down on the ground again.

"My goodness," shouted Scully, "he is so weak he cannot stand."

(The Finymates fix the scarecrow up in 6's next story.)
