DISPLAY OF BLOOM ARRANGED BY CLUB FOR FLOWER SHOW

The flower show which is being
staged as a feature at the Straw-
berry Carnival is proof of the suc-
cess of the Roseburg Garden club.
The flowers are being arranged to-
day at the show room of the C. A.
Lockwood Motor company by the
Garden club and the Roseburg
Woman's club. Hundreds of varie-
ties of beautiful blooms were car-
ried to the rooms early this morn-
ing and the club members have
given hours of their time in ar-
ranging the displays in an attrac-
tive manner.

More than a dozen tables are ar-
ranged about the spacious room on
which baskets filled with flowers
are placed. Several unusual flow-
ers are on display and the entire
exhibit is typical of the flowers
and gardens of Roseburg.

DAMAGE ACTION BROUGHT AGAINST CANYONVILLE MEN

Two damage suits, one by Elsa
Bollenbaugh for \$25,000 and the
other by Elton Bollenbaugh for
\$10,000, were filed in the circuit
court today against M. H. and
Herman Bauer. The suits have
grown out of an accident which
happened several months ago at
Canyonville. It is claimed by the
plaintiff that the defendants were
owners of a car that was being
driven without headlights on the
street at Canyonville. The plain-
tiffs were hit and knocked down,
suffering injuries that necessitat-

ed their being taken to the hospi-
tal. Mrs. Bollenbaugh claims per-
manent injuries. In addition to the
damages asked the plaintiffs are
also seeking their expenses result-
ing from the accident. They are
represented by Attorneys Guy Car-
don and Carl Wimberly.

LIVESTOCK SHOW IN UNION COUNTY IS LIVELY AFFAIR

(Associated Press Local Wire)

LA GRANDE, Ore., June 7.—
That the day of fine horses is not a
thing of the past has been demon-
strated at Union where the east-
ern Oregon livestock show was to-
day concluded. Yesterday three
three-horse teams of Percherons
wheeled through intricate evolu-
tions before a packed grand stand.
The team owned by Claude Woodell
of Imbler won the championship.
Holstein bulls owned by Andy De-
Long of Muddy creek took first in
that cattle division. Bell brothers
of Cove made a clear sweep with
Jerseys, taking senior and junior
champion cows, junior champion
bull, and grand champion cow. The
grand champion cow won at the
state fair in Salem last fall.

Governor Patterson led the pa-
rade yesterday, driving 25-year-old
"Loretta," formerly owned by the
late ex-Governor Withycombe.
One accident marred yesterday's
show. Bernice Slack of Summer-
ville suffered a broken leg when
two horses collided in the "spoon
and egg" contest on horseback. She
was thrown and the leg was broken
in two places.

G. T. McNamar visited here yes-
terday from San Francisco.

CHANCE REUNITES RUSSIAN BROTHERS IN UNITED STATES

(Associated Press Local Wire)

CHICAGO, June 7.—Twenty
years ago pillaging Cossacks de-
scended on a small Russian vil-
lage, breaking up the Torchin fam-
ily.

Albert Torchin, separated from
his parents, made his way to
America. Later his brother, David,
arrived, seeking his brother, final-
ly abandoning the search when po-
lice reported Albert dead.

Last night David Torchin stood
in the lobby of the Congress hotel,
chatting with a friend who, like
himself, had come here from Bal-
timore for the radio dealers' con-
vention.

Another man strolled by. Torchin's
friend recognized him as an
acquaintance and called him over,
introducing him.

Thus after 20 years David and
Albert Torchin, brothers, found
each other.

PASSENGER PLANE DOWN

The southbound West Coast
passenger plane was forced down
here this morning by bad weather.
No visibility and rain made it dan-
gerous to continue and so the ship
was landed on the south field to
await clearing weather. Kenneth
Householder, son of Mr. and Mrs.
J. C. Householder of this city, was
mechanic on the ship.
