DELEGATES ARE SELECTED FOR STATE CONVENTION

The last meeting of the Umpqua post of the American Legion for the summer was held last night at the armory. There was a good attendance and much interest shown. The principal item of business was the election of delegates to the state convention at Salem in July. The delegates chosen were: Joe Denn, J. A. Schuler, Glen McAllister, E. A. Post, Frank Hills, Vincent O'Brien, George Caskey and A. J. Flurry. The alternates were Guy Corbin, Ralston Bridges, Charles Ferrier, Al Throne, A. B. Cacy, Woodley Stephenson, Richard Busch and Rudolph Ritzman. Reports were received regarding the junior baseball league, airport, and other matters in which the post is interested. A. B. Cacy was appointed to work up stunts for the Salem convention. The post will not meet again until fall, except upon special call of the commander.

Old Pals Meet on Diamond

Babe Ruth's favorite weapon is a baseball bat—and George McManus' is the rolling pin. Here you see the famous honeymooning home run hitter shaking hands with the equally famous artist who draws "Bringing Up Father" at the Yankee Stadium, New York. McManus is evidently giving the Babe a little friendly advice on how to handle a wife—and how to duck the rolling pin.

Here Yesterday—Mrs. John Galla was a visitor here yesterday from Melrose.

From Yoncalla—Mrs. Effie Howard of Yoncalla shopped and visited friends locally yesterday.

Hay rope, cable, forks, snails and carriers are sold at Wharton Bros.

ESSEX the Challenger

VISIT our showrooms and see a remarkable display in motor car color design—a variety so wide as to give almost individual distinction, at no extra cost. It is a new industrial achievement!

More than 225 different color combinations on various models were delivered last month by the Hudson Motor Car Co. That is why, although nearly 200,000 Essex the Challengers are in service, there is a sparkling variety and individuality about each car, instead of the monotonous sameness expected in big production.

The tremendous buying swing to Essex the Challenger—with nearly 200,000 in service in five months—is the popular answer to

how it upholds its sweeping challenge to motorhood.

Hydraulic shock absorbers and new type double-action 4-wheel brakes are standard—they do not cost one cent extra. The same with radiator shutters, air cleaner, windshield wiper, safety lock, chromium-plated bright parts. All valuable features—all features you want. Add up for yourself the extras Essex offers at no added cost and you will see above \$100 in extra value in those items alone.

Your present car will probably cover the entire first payment. The H. M. C. Purchase Plan offers the lowest terms available on the balance.
