The week-end of the fourth brought many people from central and southern Oregon who could make the trip in less than a day, to the coast to escape the heat of the interior while on their holiday. Many California and Washington cars are also seen on

## Former Pupils of J. H. Cochran to Sponsor Picnic

(News-Review Douglas County Special) OAKLAND, July 11.—The picnic to be given in honor of J. H. Cochran, of Medford, and sponsored by his former pupils, is to be held at Hutton's Grove in Garden valley, on Sunday, July 14, at noon.

Though for the past twenty-five years, Mr. Cochran has been connected with the Mutual Life Insurance company for many years he was one of Douglas county's

most efficient and highly respected instructors.

Last year a group of former pupils of Mr. Cochran planned a picnic with the idea of getting together as many as possible of his old pupils from the Oakland and Wilbur schools where he taught for many years, first at Wilbur and later at Oakland.

This picnic was held last July at Hutton's Grove and twenty-five former pupils met with Mr. Cochran, and at that time it was unanimously agreed to hold another this year at the same place.

A committee have been working hard to make this a success and are making every effort to get in touch with those especially interested.

With no records available it is very probable that some names were overlooked. Though nearly 100 invitations have been sent, and it is the earnest desire of the committee in charge that all for-

## PHILIP SOWERSBY OF RIDDLE MARRIED TO PORTLAND GIRL

(News-Review Douglas County Special) RIDDLE, July 11.—Philip Sowersby, one of Riddle's popular young men, who is now residing in New York, was married Sunday evening in Portland to Miss Crystal Wilcox, Ardenaean Claude Black performing the ceremony. Mr. Sowersby came west by auto and visited here a short time with his parents before going to Portland. Mr. and Mrs. Sowersby, his parents, accompanied him to Portland to attend the ceremony. On Monday the young couple started on the return trip to New York. Phil has lived most of his life here and has many friends to wish him happiness.

A Scotchman and his wife entered a restaurant and he ordered one sandwich. He carefully cut it in two and started to eat. His wife sat waiting. The waiter asked her if she wanted anything. To which she replied: "Jock's using the teeth. When he finishes I'll eat my half."

## CLEANUP DRIVE HITTING RIDDLE

(News-Review Douglas County Special) RIDDLE, July 11.—The city clean up campaign that has started in the county has hit Riddle in a wild form, but we hope still for more results. G. E. Atkins is repainting the front of his store and picture show building and has had his warehouse painted. The Riddle

mer pupils and friends of Mr. Cochran, either at Oakland, Wilbur or elsewhere, consider themselves invited to attend this picnic.

The basket lunch will be held at noon and coffee and lemonade will be served by the committee.

## CAMPING AREA IS RESERVED AT WINCHESTER BAY

WINCHESTER BAY, July 11.—Due to the growing popularity of Winchester Bay for summer visitors it has become necessary for sanitary reasons, to confine all picnickers and tent campers to one certain part of Winchester Bay. There have been signs posted over the town and water front no camping allowed. The park has been set aside for this purpose for free picnicking and a small fee will be charged for tent campers where one will find free wood, stoves, garbage cans and lavatories.

## ONE CREW RUNS TRAIN FOR FORTY-TWO YEARS

ATHENS, Ga., July 11.—Endurance, refueling and distance records—of a kind—are claimed by three Athens men. Tom Moore, engineer; Arthur Cox, conductor, and John Mann, fireman, are waiting to see which retires after 42 years of labor on the same train. Moore estimates he has guided the train the equivalent of 80 times around the earth. Cox says he has punched a carload of tickets and Mann insists he has shoveled enough coal to burn Rome over again.
