SHRINE-MASONIC PICNIC SUNDAY GREAT SUCCESS

More Than Six Hundred People Present for Festivities Held Yesterday at Umpqua Park.
Athletic Contests and Sports Program Enjoyed; Prizes Awarded Winners in All Events.
The Shrine-Masonic picnic sponsored by Hillah Temple, A. A. O. N. M. S., and open to all Master Masons and members of the Eastern Star and their families, held at Umpqua park yesterday proved to be one of the most successful Masonic social affairs ever given in this community. Between six and seven hundred people attended, visitors coming from all points as far south as Ashland, as far north as Corvallis, and from practically all points in Coos county. Five car loads of picnickers came from Reedsport.
Immediately after the basket dinner, during which music was furnished by the Yellow Jackets, the athletic events were staged. David Frazier was one of the winners of the three-legged race for boys. Gay Bubbar and Ethola Kinney, were winners of the same race for girls, and Gyp Honbest and Elenore Hill ran fastest in the sack race. Shrieks of laughter came from the attempts of the ladies to pin the tail on the mule. Before this was over, the poor mule had tails upon every portion of his anatomy, but those coming close to putting it in the correct spot were Helen Peters and Margaret Hewitt. Another event which gave the crowd lots to laugh at was the ladies' potato relay race which was won by Ann Anderson of Corvallis, Mrs. H. F. Nordwick of Medford and Mrs. Clifford Simms and Elizabeth Williams. Naturally the fat men's race excited lots of interest, and this race had to be run twice to satisfy the contestants and the spectators, prizes going to Dr. Mast of Coquille, Roy G. Cairns of Reedsport and to Potentate "Jerry" Jerome himself of Medford. The relay cracker eating-whistling contest was won by a team consisting of Potentate "Jerry" of Medford, Dr. Mast of Coquille, and Elmer Giles and F. C. Frear of Roseburg.
The married men walked off with the baseball game in nice shape, winning a big box of cigars. Elmer Thiel of the northern part of the county was first man up and nobody else had a chance to win the prize for the first stolen base for he proceeded to annex that prize before anybody else had a chance. C. T. Chamberlain got the first two-bagger and W. L. Phillips of Grants Pass annexed a home run before the game had been in progress very long. J. O. Faust of Brockway claimed, and the team agreed, that he was entitled to the prize for the most errors. Not having been up in time to get the other prizes, Noble Faust went after this one deliberately.
Paul Bubbar and John Runyan went right after the horseshoe

pitching contest and walked away with the prizes.
Perhaps no event of the day excited as much interest as the prize walk held in the afternoon. Not less than 50 couples entered for this event, which was judged by Potentate "Jerry" Jerome, Ray B. Compton and Mrs. John A. C. King. The judges at first started in eliminating contestants, but this being too slow and too difficult, five couples were finally chosen to enter a final competition and the rest cleared of all other dancers. After one of the hardest jobs of judging which it is possible to have to engage in, the judges unanimously agreed that Mr. and Mrs. Stoney Crawford of Roseburg were the best old-time waltzers, and that Noble and Mrs. Chapman of Gold Hill were the smoothest dancing couple on the floor. These two couples received the prizes for the best waltzers. Additional prizes for excellent waltzing were given to Mrs. Roy Cairns of Reedsport, waltzing with her husband, Mrs. Adam Schneider of Garden Valley (Mr. Schneider belongs to a Blue lodge back in Cleveland, Ohio), and to Mrs. F. C. Frear, dancing with B. F. Skinner of Roseburg. As the prizes and favors were announced it was found that the judges had acted in accordance with popular approval.
Between three and four hundred of the picnickers took advantage of the bathing facilities and for a part of the day enjoyed the Roseburg swimming hole, which had been advertised as available for them.
About 6 o'clock the picnic broke up and the merry-makers returned to their homes, everyone agreeing that the day had passed most enjoyably, with no accident or untoward circumstances to mar the pleasures of the day.
Coffee and punch were furnished to all picnickers by the Temple, but from the sale of ice cream and other sundries on the ground \$9.20 was realized, which is going to the Shriners' hospital for crippled children at Portland.

WORCESTER, Mass., July 22.—A long loop which caused a piece of left wing fabric to tear loose sent an airplane piloted by George J. Haven, 31, careening to ground, 2,500 feet below late yesterday and brought death to Haven and his passenger Charles W. Holmes, 41, commercial photographer. You would not try to broil a ham whole
But if you cut it in slices you can broil each perfectly. Similarly, Hills Bros. roast only a few pounds of coffee at a time—never in bulk. This continuous process—Controlled Roasting—produces a flavor no other coffee has because it roasts every berry evenly and controls the flavor.
