ODD FELLOWS TO ERECT NEW LODGE HALL IN GLENDALE

Two-Story Concrete Building to be Erected at an Approximate Cost of \$9,000.

(News-Review Douglas County Special)
 GLENDALE, Aug. 22.—A building that Glendale may be proud of, a new \$9,000 Odd Fellows hall, will be the next addition to the business that now line Glendale's main business street, Pacific Ave., and a few weeks will see actual construction begun.

Glendale lodge No. 172, I. O. O. F., at its meeting last Tuesday evening voted to proceed at once with the building, plans for which have been under discussion for some time. The membership is very enthusiastic about the project and nearly one-half of the estimated cost was subscribed at this first building meeting.

The building will be of tile and concrete construction and is to be two stories high. It is to be erected on the lot adjacent to the new Glendale garage now under construction and will have a 50 foot fronting on Pacific Ave., with a depth of 72 feet. The ground floor will be divided into space for two stores, one 26 by 40 feet and the other 15 by 40 feet, leaving a warehouse room in the rear of 50 by 32 feet, to be divided to suit the tenants.

The Odd Fellows will use the entire second floor for lodge purposes. The plans call for a lodge hall 35 by 25 feet, with a banquet hall directly back of the lodge room, 26 by 32 feet in size and so built that it can be made a part of the lodge room whenever desired. A roomy kitchen, two restrooms, two cloak rooms, two toilets, and a hall are all provided for on the second floor, together with a front entrance to the upstairs.

This building when completed will provide the Odd Fellows with roomy, convenient and modern lodge quarters, and with the two stores underneath, which will be readily rented, providing a source of income to the lodge.

Glendale lodge No. 172, I. O. O. F., was instituted October 23, 1903. For years the meetings were held in the Masonic hall, until in 1913 the lodge built a two story frame building on Third street for its own use. This was its home until the big fire of July, 1928, when this building, together with contents and all lodge equipment, went up in a bill of only partial insurance. Of late the Odd Fellows have been holding their meetings in the city hall and they are now looking forward with eagerness to the time when they may again assemble under their own roof.
