LOVING CUPS GIVEN 4-H CLUB WINNERS IN THIS COUNTY

Names of schools winning the loving cups for the best 4-H club work during the past two years were announced by J. Roland Parker, county club agent, at teachers' institute, Monday morning.
Winston, district 48, was winner among the one-room schools; Tonmile, district 7, was winner among two-room schools, and Glide, district 12, winning among the schools having the grade and high school combined.
Winston, district 48, was taught by Miss Florence Fuller of Roseburg, and had clubs in marketing, sewing, both division I and bachelor sewing, canning and gardening.
Combie, district 7, was taught by Miss Katherine Montgomery to Violet Cochrane, and had clubs in sewing, cookery, rabbits, sheep and canning.
Glide, district 12, was taught by C. C. Hill, principal, Mrs. C. C. Hill, C. C. Conline and Hubby Conroy, and had clubs in cookery, bachelor sewing, canning, sheep and a number of individuals in poultry and corn club work.
Competition among the schools in the various classes was close and several school received honorable mention for the splendid work. Cedar Grove, district 52, Katharine Jacoby, teacher; Millwood, district 4, Mrs. Thelma Brown, teacher; Fair Oaks, district 12, Lillian Lindhe, teacher; and Garden Valley, district 42, Mrs. Alice Hoffer, teacher, were outstanding among one-room schools. Sunnydale, district 29, Clifford Greening, principal; Medford, district 29, Mrs. Bessie Smith, principal, and Elgarose, Mrs. K. H. Marsters, principal, were outstanding among the two-room schools. Lookingglass, district 13, P. M. Nash, principal; Riddle, T. S. Thompson, principal; Yoncalla, G. L. Rhinesmith, principal, and Myrtle Creek, H. S. English, principal, were outstanding among the school and grade and high school combined.
The basis on which awards were made is as follows:
Enrollment and completions, 20 points; division equally among boys and girls, making 10 points for the boys to win 15 points and the girls 15 points.
Quality of work, 30 points; boys 15, and girls 15.
Reports, neatness and accuracy, 20 points; boys 10 points, girls 10.
Exhibitors, 20 points; boys 10 points, girls 10 points.
The loving cups will be held by the winning school district for the school year and returned to the county school superintendent at the close of the school year and will be again awarded next year to the outstanding school in each group.
The competition is expected to be much keener than the existing one during the past year. A large number already have indicated that they will try for the cup, and the name of the district and its number, with the year in which won is engraved on the back of each cup.
Enrollment and completions, work for 1928-29 was the largest in the history of club work in Douglas

HOLLYWOOD, REDS OPEN SERIES FOR PACIFIC CROWN

(Associated Press Local Wire) SAN FRANCISCO, Oct. 8.—While other first division clubs of the Pacific Coast league divided the swag of the 1929 season, the Hollywood Stars, winners of the second half of the season, and the Mission Reds of this bay city, winners of the first half, took up their bidgame and mitts today to begin a seven game series for this year's league championship.
Had the Reds won the best half, a playoff for the pennant would have been unnecessary. As it is, the Stars and the Reds must decide between them which is the better team. They will play a three game series at Recreation park here, and then will proceed to Wrigley field, Los Angeles, where three more games will be disposed of. The seventh game will be played in a site as yet undesignated.
President Williams at Los Angeles has mailed a check for \$2,900 to the San Francisco Seals who won third money, and a check for \$1,200 to the Oakland club for fourth place. The Los Angeles club was given a check for \$800 as fifth money. Division of the prize money was determined by standing of the full season.
Meanwhile, \$6,900 was drawn for the two half season winners, and this will be divided on a 60-40 basis after the championship is decided.
Red Cole and "Dutch" Roucher are expected to give the Stars some zappy shots. Indications were that Wade "Red" Killefer intends to give the southern club plenty of left handed pitching.

STABILIZATION DIVISION LAID DOWN BY LEGGE

(Associated Press Local Wire) WASHINGTON, Oct. 8.—In a letter defining the position of the farm board on crop stabilization today, Chairman Legge said stabilization should be divided into two classes: That conducted by cooperatives under ordinary conditions and that conducted by the board under extraordinary circumstances.
The letter, written to Chairman McNary of the senate agriculture committee, continued that in the emergency situation the government would stand losses if they occurred.
Legge said the letter was written because a reading of the testimony before the committee last week disclosed the "subject of stabilization is not very clearly expressed" by the board members who discussed it, because questions and answers were so disconnected.
The farm board chairman declared his communication could be accepted as the position of the board as a whole.

FERTILIZER USE ON DOUGLAS CROPS OBJECT OF STUDY

John W. Lawton, fertilizer expert, representing a large fertilizer company which is assisting in tests in this county, spent the day in Roseburg conferring with County Agent J. C. Leedy. The company has furnished fertilizer for tests on prunes, cherries and walnuts.
Lusbenark brothers of Molrose, L. E. Thompson of Umpqua, R. B. Montgomery of Lookingglass and M. B. Green of Winston are the growers who are cooperating. The effects of fertilization on the prune yield and drying quality will be closely checked, as there is little information available on that subject at present.

TO STUDY CAUSE OF TRAFFIC ACCIDENTS

(Associated Press Local Wire) RALEIGH, Ore., Oct. 8.—Carl D. Gabrielson, superintendent of the motor vehicle division of the state department, has been appointed by Secretary of State Hosa to represent the state on a committee authorized by the 1929 legislature to make a study of the responsibility resting upon drivers of motor vehicles operating on the high ways.
The members appointed from the legislature were Senators Joe E. Dunne and Gus C. Moser and county, there being 988 boys and girls enrolled, and at present 550 have completed their work and a large percentage of these will complete will have their reports within a short time, as the club year closes November 1st.
Several fairs of interest to 4-H club members are yet to be held: Yoncalla will hold a community fair with a club division next Saturday, October 12; Coquilleville community fair, October 17 with a club department; and Klamath club fair on October 22, which will be the closest club fair in the county for 1929.

Wife Was Fat No Longer Attractive

The above headline appeared in a New York newspaper of April 4 in connection with a divorce trial that has attracted wide attention.
"She was a beautiful woman," one witness testified, "but she got fat and is not attractive any more."
Thousands of women are getting fat and losing their beauty just because they do not know what to do.
If you are fat how would you like to lose it and at the same time gain in physical charm and acquire a clean, clear skin and eyes that sparkle with buoyant health?
And gain in energy and activity? Why not do what thousands of women have done to get rid of pounds of unwanted fat? Take one half a teaspoon of Kruschen Salts in a glass of hot water every morning before breakfast and keep it up for 20 days. Then weigh yourself and see how many pounds you have lost.
Life and heat of all a bottle of Kruschen and best of all a bottle of Kruschen Salts that will last you for 30 days only cost 95 cents—you'll probably say it's worth one hundred dollars after you take the first bottle.
Kruschen Salts are a blend of 4 natural revitalizing salts your body, nerves and glands most have if you are to enjoy good health. Ask Nathan Patterson for a sample of a bottle of Kruschen Salts and start to lose fat today.—(Adv.)
