Visiting Fine Trip—
Harry Suey, employee of the Umpqua hotel, reports a very fine trip which he enjoyed during his nine months' vacation. Mr. Suey visited in his home city of Hong Kong, China. He states that the city is very much changed since his 12 years' absence. They have paved streets, street cars, automobiles and many other improvements, brought from the United States. Mr. Suey claims that they are also up-to-date in the way of dress, as they have numerous flappers. The climate is practically the same as that of California. He states that their meals are more on the type of those served in this country now. Homes are built in the regular two-story dwelling type common to the American people. In fact, Mr. Suey states, one can scarcely tell the difference between China and any other country as to mobile utilities and living methods. He is very glad to be back in Roseburg and says he intends to stay here for some time. The trip required 18 days.
