AMERICAN LEGION MAKES PLANS FOR ARMISTICE DAY

A well attended meeting of Umpqua Post of American Legion was held at the armory last night. One of the principal features of the evening was a talk made by Dr. E. B. Stewart, who was a member of the official American Legion delegation to Europe during the summer, attending the international convention of allied war veterans at Degradre. His address was greatly enjoyed by the post members.

Plans for the Armistice day celebration were discussed and committees named to take charge of the annual program. There was some talk of advancing the date for the celebration to the 9th, as there is to be a meeting of state Legion officers here on that date, but a proposal to that effect was overruled.

Reports from the membership teams were to the effect that memberships are coming in rapidly, and already more than 100 paid up veterans have been enrolled.
