# Tru-Bake Crackers

...TEMPT...as only a thin, crisp,  
 flaky, salty cracker can—when  
 baked to the creamy brown that  
 brings out the full nut-like flavor  
 of fine white flour.

... SLENDERIZED ... the Tru-Bake shape  
 is distinctive. Makes for daintier serving; for crumb-  
 less eating. Actually seems to make these crackers  
 taste better!
