

### Home Patronage Needed All Year

"It is really surprising to me," said "Bill" Dollar, "to find out how good natured the merchants of Roseburg can be in spite of the many annoying business transactions that come to their attention from time to time.

"There are some people who go to other cities to make important purchases of clothing and home furnishings, but when they find they are in need of some trifling article in a hurry they rush down to the home stores and demand that it be supplied to them instantly and then blame the home store if it does not have just what they want.

"They expect these stores to keep stocked up all of the time with a large variety of goods," continued "Bill" Dollar, "yet they will not help to supply the all year round patronage which is the only basis for keeping such a general stock."

### "Bill" Dollar Says Steady Trade Enables Merchants to Give Perfect Service; Code of Civic Loyalty Cited

You help to build your city's industries. You get quick service on deliveries. You get fresh products. You owe it to your city to cooperate with other citizens. You earn your money here and should spend it here. You help to build a better city. You will advance as your city advances. You can make your money do more work in your own city. You will feel better. You can face your local merchant without flinching. You can prove then that you are a loyal citizen in your own city. (Copyright, 1929, Fred Mozart.)

### SONNENBERG WILL GIVE LEWIS FRESH CHANCE AT CROWN

(Associated Press Leased Wire) LOS ANGELES, Oct. 22.—"Dynamite" Gus Sonnenberg, nursing a split lip and a bruised nose acquired in an unscheduled street encounter, will risk his heavyweight title in a bout here tonight with "Strangler" Lewis, former champion.

Sonnenberg was injured, mentally and physically, when he unexpectedly was called upon yesterday to defend himself from one of the flying tackles which occupy a prominent place in his own wrestling repertoire. His physical hurts consisting chiefly of a profusely bleeding nose, he announced would not interfere with his title bout tonight.

His mental injury was assuaged somewhat by a battery warrant against Pete Ladjone, bail bond broker and amateur wrestler, issued from the office of City Prosecutor Lloyd S. Nix, on Gus' complaint.

Sonnenberg charged Ladjone with butting him with his head without warning terminating a discussion of the possibilities of a bout between the amateur and the champion.

Lewis in preparation for his attempt to regain the crown, has been training with the University of Southern California football team, in an effort to develop a defense against the flying tackle which lost him the championship to Sonnenberg.

Sonnenberg is a former Dartmouth football player.

### Shoots Husband for Bridge Bid

John G. Bennett, of Kansas City, Mo., (right), was shot and killed by his wife (left) after he failed to make a bid in a bridge game. The Bennetts were entertaining neighbors in their home at bridge. Bennett failed to make his bid. His wife called him a "lousy bridge player," whereupon, it is alleged, he slapped her face and folded up the bridge table. She rushed to the bedroom, secured a revolver, and shot him twice. He died soon after. Now she is held without bail on a first degree murder charge for early trial.

### Antlers' Booking for This Week Full of Sparkle and Life

A musical revue with a college setting which projects audibly the verve and sparkle of campus life, is the vehicle for Lois Moran's debut in a Fox Movietone singing, dancing and talking screen role. The picture is "Words and Music," which comes to the Antlers Thursday, Friday and Saturday. Talented youngsters from campuses and dancing schools, together with noted entertainers from the legitimate stage, form the supporting cast.

Cofeatured with Miss Moran are Tom Patricia and David Percy, while Helen Twelvrees, Frank Albertson and Elizabeth Patterson have prominent roles. Patricia is the widely known eccentric hoof of George White's "Scandals." Miss Twelvrees, previous to her appearance in the Fox Movietone talk-

functions on the campus during the year and in addition makes some trips out in the state.

### JUNIOR HIGH GRID TEAM'S NEXT GAME WITH MARSHFIELD

The Roseburg junior high school football team will go to Marshfield Saturday to play the junior high school there. The local team is a fast but light aggregation, but plays an unusually good brand of ball. In spite of inexperience, the Marshfield team, under Coach Hughes of that city, is reported to be an unusually strong team for the age and size of the players, so that the local boys are expecting a hard game. The Marshfield juniors expect only the one outside game this year as there are no other junior high schools near with whom games can be arranged without heavy financial loss. The Roseburg juniors will play Medford here on the 9th of November, and Coach Warberg is working hard to get in readiness for that contest, which is

expected to be the hardest of the season, as the Medford boys are well coached and have been making a good showing. They defeated Glendale high school 12 to 6 in a recent game.

MARSHFIELD, Ore., Oct. 22.—Fred Gardner of Harbor, Ore., claimed the prize for being the champion cougar hunter of this section of the state yesterday by bagging four full grown cougars in the count range in one day. He used dogs.

### MONEY BACK PLAN IS SATISFACTORY

J. O. Newland and Son, introducers of the "Money-Back" used car guarantee, report that since the plan was first introduced in the summer they have not had a single come-back in their used car department.

The buyer of a used car wants dependable transportation, and he does not want to take out an automobile that he believes will not give him this dependable transportation, the local firm believes, and has inaugurated the money-back idea to convince the prospective buyer that he will get what is represented to him.

It is also reported by the Newland firm that a greater proportion of its used car stock is made up of exceptionally good used cars than at any period in the last three years, meaning cars that have been run very little. This condition, says J. O. Newland, is exceptional at this time of year when the used car market is supposed to be pretty well loaded up from the summer's business. He attributes the cause for the good condition largely to the used car money-back guarantee which takes away the fear of buying a low-priced used car.

... in a band it's **PEP!**

... in a cigarette it's **TASTE!**

THERE'S no denying an "extra something" to Chesterfield. Call it better tobacco, or higher standards of manufacture... more skillful balance, or more expert blending... the fact remains that in Chesterfield you get a smoother shading of flavor, a richer tobacco character, a spicier aroma—without one hint of harshness or "heaviness." Taste is what counts, in any cigarette; and in Chesterfield it's

"TASTE above everything"
