CALIFORNIA BEARS AND TROJANS WILL BATTLE SATURDAY

Western Conference Title Hinges on Games; Both Oregon Teams Also on Program.

By RUSSELL J. NEWLAND (Associated Press Sports Writer) - SAN FRANCISCO, Oct. 28.—Football's main battle front shifts to the south next Saturday, where Southern California's Trojans and California's Bears, remaining undefeated slayers of the Pacific Coast conference, will fight it out for gridiron supremacy.

Conquerors of Stanford, 7-0, last week and winner of four conference games, Southern California practically clinch the championship with a victory over California's Bears. The true strength of the Bears, however, has not yet been revealed. In their own conference test, they trounced Washington State, 14-0, and last week showed to advantage with a 21-19 triumph over the powerful Olympic Club squad.

Comparative scores favor the Southern California team, one of the most powerful ever to carry the Trojan banner, but California supporters are reminded that football games are won, not off the field. Those who have followed the fortunes of both teams, however, feel that the Trojans will make short work of the Bears and continue on for easy wins over Idaho and Washington state, remaining opponents on the conference calendar.

ROSEBURG HI GRID TEAM WINS FROM EUGENE FOE, 33-0

Roseburg high school's football team outplayed the University high eleven of Eugene on Finlay field here Saturday to pile up a score of 33 to 0.

From the first kickoff to Roseburg and a 35-yard advance down the field toward the home goal, the hosts had their opponents at their mercy most of the time. Within three minutes after the first play the score stood 7 to 0 for Roseburg and the visitors were trying to figure out what it was all about.

Then Eugene got the ball, but made no yardage. The quarterback heaved a long pass and Don Ertler, Roseburg ace, was right there to get it. He took it back for a 14-yard gain.

In the second quarter Roseburg did not worry when Ertler had to be taken out after he had been knocked out on a hard tackle. But he was back for the last half, apparently without loss of his original vigor. Roseburg's second touchdown came toward the end of the second quarter. The ball was played over the line for the extra point and three minutes were left in the half.

It didn't take all of that three minutes for the local boys to tear down from the middle of the field to the goal again to score the third touchdown, without converting the goal. The score at the end of the half stood 20 to 0.

University high seemed to rally a little at the first of the second half, but they couldn't touch Roseburg. The score rose to 26 on another series of stellar plays and then when Roseburg kicked to the visiting squad and the receiver fumbled the final score was not far off. Recovering the ball on the 25 Roseburg pushed it over on about three plays and the game ended.

Even Roseburg's second string was ahead of the Eugene squad. The entire first team was pulled from the field near the end of the first half and the last touchdown in that period was made by the substitute team. The second string went back in the game in the fourth period and advanced the ball into Eugene territory and

was threatening another touchdown when the game ended. The rejuvenated high school team gave the local fans a great deal of pleasure, for the boys displayed real ability, proving to be one of the best teams the local school has presented for many years. The Eugene team lacked experience, as this is the first year University high has engaged in football and, therefore, the team was not as strong as some of the others the local boys have faced this year. Despite that fact, the local boys made a far better showing than ever before, and a continuation of the same style of play in future games will undoubtedly give them an excellent record for the season.

ROSEBURG JUNIOR HIGH WINS 19 TO 0 FROM MARSHFIELD

While the senior high school football team was busy Saturday trouncing University high of Eugene, the junior high school journeyed to Marshfield and shut out the Coos Bay youngsters by a score of 19 to 0.

The local team took the first kickoff and marched down the field for a touchdown in the first few minutes of play, getting away for a series of spectacular long runs. Marshfield, however, came back on the next kickoff and drove down to within four yards of the Roseburg goal, but the local boys stiffened and held their opponents for downs and took the ball on their own 7-yard line. Although safe football would call for a punt out of danger, the local boys decided to fight their way back and plowed through the opposing line for another long drive and scored a second touchdown near the end of the period.

In the third quarter, both teams played tighter ball, with Roseburg, however, threatening to score on several occasions. Marshfield did not make first downs any time during the last half. In the fourth period Roseburg scored another touchdown. Coach Warberg used a number of his second string players during the contest, as he has a large reserve force that enables him to make substitutions without weakening the strength of his squad.

Roseburg plays Medford here on the 8th of November, and this game is expected to be the hardest of the season for the local juniors. It will also probably be the last game of the season.

WRIGLEY BUYS BELL TO PLUG WEAK SPOT AT THIRD STATION

(Associated Press Local Wire) CHICAGO, Oct. 28.—Lester Bell, who played third base for the Boston Braves during the 1928 and 1929 seasons, has been purchased by the Cubs—the first move by owner William Wrigley, Jr., to repair the weak spots in the team which that summer the National league, but found the Athletics too good in the recent world series.

The deal, an outright sale involving no players, was made at a conference in Washington between Mr. Wrigley and Judge Emil Fuchs, president-manager of the Braves. The price paid for Bell, who was one of the stars of the St. Louis Cardinals in 1926, was not announced, but the guessing placed it at from \$25,000 to \$30,000.

Bell, who is 29 years old, will replace Norman McMillan, whose fielding was satisfactory to Manager Joe McCarthy, but whose hitting was considered too spotty by the Cubs. McMillan probably will remain on the Wrigley payroll as a utility infielder, but Clyde Beck, who undermanned McMillan last season, is expected to go.

The purchase of Bell, Mr. Wrigley indicated, will not be the only step in connection with his plans to build a team capable of bringing a world championship to Chicago. Another pitcher to fit in with Malone, Ross, Bush and Halsey, also is being sought in the improvement campaign.

(Associated Press Local Wire) MEDFORD, Oct. 28.—Edwards were being hauled by Coroner Lloyd T. Rigdon today to locate relatives of a man believed to be P. Buneta, about 60 years old, whose body was taken from the Willamette river near Sidney Sunday. Papers found in the pockets contained several names, possibly legible because the body had been in the water several weeks, but the name Buneta was deciphered, appearing on a statement from the First National bank of Pittsburgh, Pa.

"I'll Whip Mickey or I'm Through," Vows Hudkins Day Before Battle

Ace Hudkins, of Los Angeles, Cal., who is busy training for his bout tomorrow with Mickey Walker, is pictured above wearing the old cap which he has worn in the ring as a good luck omen. Hudkins clings to this cap because he feels it will enable him to best his opponent. Mickey, on the other hand, doesn't believe in "omens" and says the cap won't help out Hudkins at all.

(Associated Press Local Wire) LOS ANGELES, Oct. 28.—With the rigorous training grind left behind, Mickey Walker, the champion, and Ace Hudkins, the contender, today marked time as they awaited impatiently the sound of the gong which tomorrow night will send them into the ten-round battle for the middleweight title of the world.

"The fight, at all intents and purposes, probably will mark the decline of the vanquished and the rise of the victor. Both scrappers, the type who are willing to take two to put across a punch, seem to have read the signs of the times, if their month long training is evidence.

After the elimaxing session yesterday, when the Nebraska wildcat clawed and pawed three opponents in characteristic fashion for four rounds, he had plenty to say about the impending battle. For once he took the bull by the horns from his brother-managers, Clyde and Art. "It's going to be a great fight until the sixth," said Ace. "After that I'll walk through to the finish. "I won't say I'll knock him out," came the wildcat's reply to the

AL MARSTERS TOPS FOOTBALL SCORERS

(By the Associated Press.) "Special Delivery" Al Marsters scored two touchdowns in Dartmouth's rout of Harvard on Saturday to boost his season's scoring record to 192 points, by far the best in the country. Marsters, the east's scoring passer, has a margin of 24 points on his nearest rival, Eugene McEver of Tennessee, according to figures compiled by the Associated Press from the eight major groups of conferences in the country. McEver has tallied 75 points on 13 touchdowns. Marsters' 192 aggregate is made up of 15 touchdowns and 12 points after touchdowns.

The leader in each of the eight major groups follows: East, Marsters, Dartmouth, 102; Southern, McEver, Tennessee, 75; Southwest, McFistich, Baylor, 56; Pacific, Schwartz, Wash. State, 48; Missouri Valley, King, Drake, 46; Big Ten, Phares, Minnesota, 42; Rocky Mt., Pomeroy, Utah, 24; Big Six, Page, Kansas, 20.

(Associated Press Local Wire) PORTLAND, Oct. 28.—Reverberations were echoing up and down the state today as a result of the suspension of Baker high school from the Oregon state high school athletic association for the rest of the 1929 season. Baker was suspended for alleged disregard of the "principles of good sportsmanship" and for alleged failure to "take ordinary precautions in the enforcement of eligibility rules." La Grande and Corvallis filed the protest.

It was whispered around here today that other high schools of the state might feel the weight of protest. But while the decision to bar Baker created great discussion, the state high school athletic board had no information that charges might be filed against any other school. The controversy grew out of the question of eligibility of five members of the Baker football team. Those filing the protest declared these five players were ineligible because their parents did not live in the Baker district. It was declared by Baker, however, that the players were rightful residents of the district as guardianship papers had been taken out for them by residents of that city.

Eugene Shook, of Oakland, who underwent a major operation ten days ago at Mercy hospital, was able to return to his home yesterday.

DARTMOUTH-YALE BATTLE WILL SEE GREAT STARS DUEL

By ALAN GOULD (Associated Press Sports Editor) Football family quarrels stand out this week on a football slate otherwise featured by a flock of inter-sectional debates.

The relative merits of two of the east's greatest scoring aces, Albie Booth of Yale and Al Marsters of Dartmouth, as well as the sectional championship aspirants of each team, will be evoked when the teams meet at New Haven. Dartmouth has never beaten Yale and must shake off this jinx as well as check Booth to win. When Swede Oberlander was wearing the green, Dartmouth's best was a 14-14 tie with the Elis. Now it is Marsters' turn to attempt what no other Dartmouth ace has been able to do.

Booth, Yale's vital spark, now has dashed in to win two straight for the blue, against Brown and Army. He has scored five touchdowns in successive games. His dazzling performance Saturday eclipsed even the great Red Cagle, Army's captain. It will be difficult to keep this 144-pound artificial dodger off the all-American slate if he repeats against so flashy a rival as Marsters. Pittsburg and Notre Dame, two other unbeaten arrays and strong contenders for national honors, meet inter-sectional foes this week.

Indicted in Slaying

John McGauldrick, second mate of the S. S. "Creole," who was arrested when he arrived in New York. He was indicted by the grand jury at Point-a-la-Piche, La., after Miss Ione Ord, dancer, of New York, named McGauldrick as the alleged slayer of Jack Kraft, artist and fencing master, also of New York. Kraft's body was found with a bullet through the heart, thus disproving the theory he had drowned when he fell from the "Creole" when that vessel was traveling up the Mississippi river. The Panthers have scalped Duke and Nebraska. They hope to repeat against Ohio State, which had

County Budget Will Be Announced This Week

The county budget committee has not yet completed its work, but expects to finish the tentative schedule of expenditures by tomorrow or Wednesday. The committee is making a thorough investigation of all county funds, so that it will fully understand the county's financial condition in making up its report and recommendations. There have so far been few changes proposed in the budget as submitted, except in the health unit, where it is proposed to substitute a local physician as supervisor on a part time basis instead of employing a doctor on a full salary, thereby saving several hundred dollars in expense.
