Membership is being especially stressed at this time and an effort is being made to reach all eligible persons by November 30th when the drive closes. For the benefit of those who should be affiliated with this organization, the eligibility clause from the constitution is quoted as follows: "Membership in the American Legion Auxiliary shall be limited to the mothers, wives, sisters and daughters of all men and women who were in the military or naval service of the United States between April 6, 1917, and November 11, 1918, and died in line of duty or after honorable discharge; and to those women who of their own right are eligible to membership in the American Legion." Those desiring to pay their dues before November 30th, may do so by sending the money to Mrs. George Caskey, chairman membership committee, or Mrs. Radolph Ritzman, secretary.

The service work of this organization makes it an honor and a privilege to belong. While Umpqua unit is the largest unit in the state and is doing splendid work, the addition of each new member is a real inspiration to those already in the unit.
