Endorses Sargon

"I went to Alaska during the gold stampede of 1897, spent 20 years in that country, and while there served as a United States Marshall. Experiences and rough

living brought on indigestion, constipation and sharp cutting rheumatic pains, and I returned to Seattle in 1918 weakened and rundown. My strength and energy were all below par, and I suffered so much at times I was afraid I would have to give up my position with the Pacific Steamship company. Then I started Sargon, and that was the beginning of my present splendid health. From bottles of this medicine, along with Sargon Pills, strengthened and invigorated me. My indigestion and stomach trouble are over and every rheumatic pain in my body is gone. Sargon Pills reconditioned my liver and entirely overcame my constipation."—Emory J.
