Easy turning and close skimming are features of the McCormick-Deering cream separator.

Have not McCormick and Deering hay machines always been the easiest ones to get repairs for? If you buy this make of farm machines now you will be assured of this same service.

Aviator, to sweet young thing: "Wanna fly?"

"Oh-h-h, yes!"

Aviator: "Wait here, I'll catch one for you."

Don't bet supplies of your husband if he says he has to go back to the office tonight. Just feed him green onions.

The ball bearing crankshaft on all McCormick - Deering tractors is guaranteed for the full life of the whole machine.
