All Contributions to this Page—Society, Women's Clubs, and Personals—Should Be Telephoned to the Society Editor by Friday of Each Week.

The most joyous time of the year, Christmas time, has been the inspiration for practically all of the parties and color schemes for the past week. The clubs have been unusually busy preparing for their benefit affairs and arranging to take care of those in need at this time of the year.

Some of the loveliest parties and dinners of the season have been enjoyed by society folk this week, and with the arrival of the university and college young people, the week-end and following week promise to be active.

Some very lovely Christmas programs will be given at various churches of the city tomorrow and music lovers will find pleasure there at all times.

The Elks dance on Thursday night was a lovely Christmas affair and the Firemen's annual Christmas dance on the 25th will be one of the most brilliant dances of the year. Elaborate plans have been made by the firemen and it is supposed that a record crowd will attend the ball.

Several parties are scheduled for next week complimenting out of town visitors and college students. Many of the society circles will have the first of the week to spend Christmas in distant places. However, the many who will remain here are assured of good times for all.
