

COMMERCE BOARD GIVES APPROVAL TO JUSTICE LEE

(Associated Press Local Wire)
 WASHINGTON, Jan. 15.—The nomination of William E. Lee of Idaho to be a member of the Interstate Commerce commission was ordered favorably reported to the senate today by its interstate commerce committee after a brief hearing at which the Idahoan was questioned about his views on railroad matters.

The vote was unanimous.

In the hearing Lee, who is an associate justice in the Idaho supreme court, said that a few valuation cases of water companies had been before the court and added that he had represented the Northern Pacific railroad in local cases when their trains had run over cows.

Asked his views on railroad valuations, Lee replied: "I don't know whether I have any I could unqualifiedly express. I think it ought to be a fair value."

He added that he had no formula by which valuation could be determined.

Asked what he thought about consolidations of railroads, the witness replied that he had no opinion and that he had given little study to the question except what he had read in newspapers.

"This is THE VERY PAINTING of your fear" (Shakespeare, 1564-1616)

AVOID THAT FUTURE SHADOW*

By refraining from over-indulgence

You men who would keep trim and fit... you women who covet the tantalizing curves of the truly modern figure—when tempted to do yourself too well, light a **Lucky** instead. Be moderate—be moderate in all things, even in smoking. Eat healthfully but not immoderately. When your eyes are bigger than your stomach, light a **Lucky** instead. Coming events cast their shadows before. Avoid that future shadow by avoiding over-indulgence if you would maintain that lithe, youthful figure.

Lucky Strike, the finest Cigarette you ever smoked, made of the finest tobacco—The Cream of the Crop—"IT'S TOASTED." Everyone knows that heat purifies and so "TOASTING" not only removes impurities but adds to the flavor and improves the taste.

"Coming events cast their shadows before"

"It's toasted"

*Be Moderate!... Don't jeopardize the modern form by drastic diets, harmful reducing girdles, fake reducing tablets or other quack "anti-fat" remedies condemned by the Medical profession! Millions of dollars each year are wasted on these ridiculous and dangerous nostrums. Be Sensible! Be Moderate! We do not represent that smoking **Lucky Strike** Cigarettes will bring modern figures or cause the reduction of flesh. We do declare that when tempted to do yourself too well, if you will "Reach for a **Lucky**" instead, you will thus avoid over-indulgence in things that cause excess weight and, by avoiding over-indulgence, maintain a modern, graceful form.
