Foiled by Moderation! THE HEARTLESS SHADOW that threatens the modern figure

AVOID THAT FUTURE SHADOW\* By refraining from over-indulgence, if you would maintain the modern figure of fashion

Avoid the snags along the common-sense path to fitness and fashion. Don't let over-indulgence deprive you of the tantalizing contour of the modern figure. Be moderate—be moderate in all things, even in smoking. Eat healthfully but not immoderately—when your eyes are bigger than your stomach, reach for a Lucky Strike instead. Coming events cast their shadows before. Avoid that future shadow by avoiding over-indulgence, if you would maintain the graceful, modern figure with its captivating curves.

Lucky Strike, the finest Cigarette you ever smoked, made of the finest tobacco—The Cream of the Crop—"IT'S TOASTED." Everyone knows that heat purifies and so "TOASTING" not only removes impurities but adds to the flavor and improves the taste.

"Coming events cast their shadows before"

"It's toasted"

\*Be Moderate!... Don't jeopardize the modern form by drastic diets, harmful reducing girdles, fake reducing tablets or other quack "anti-fat" remedies condemned by the Medical profession! Millions of dollars each year are wasted on these ridiculous and dangerous nostrums. Be Sensible! Be Moderate! We do not represent that smoking Lucky Strike Cigarettes will bring modern figures or cause the reduction of flesh. We do declare that when tempted to do yourself too well, if you will "Reach for a Lucky" instead, you will thus avoid over-indulgence in things that cause excess weight and, by avoiding over-indulgence, maintain a modern, graceful form.
