COOKING SCHOOL DATES IN MINDS OF HOUSEWIVES

Dates from February 5 to 7, when the News-Review's "cooking school that's different" will be staged in the armory, have already been reserved by many local women preparing to hear Miss Irene Cameron, kitchen expert, in her entertaining series of talks. Miss Cameron will bring with her a "model kitchen," with the time saving household devices she believes every housewife should have. These include a modern refrigerator, range, etc. "Cooking by absent treatment" and "refrigerator cookery" will be two of the many helpful topics taken up in her discussion of "What the Well Dressed Meal Will Wear in 1930."

"There are many ways to save time and work in the kitchen, and still make your meals better than ever," says Miss Cameron. "I hope every woman reader of this newspaper will attend the News-Review's cooking school next week, for we have provided the most interesting school ever conducted here."

AVOID THE THREAT
of the weight of age

"Coming events cast their shadows before"

AVOID THAT FUTURE SHADOW*
By refraining from over-indulgence

You men who would keep trim and fit . . . you women who covet the tantalizing curves of the truly modern figure—when tempted to do yourself too well, light a Lucky instead. Be moderate—be moderate in all things, even in smoking. Eat healthfully but not immoderately. When your eyes are bigger than your stomach, light a Lucky instead. Coming events cast their shadows before. Avoid that future shadow by avoiding over-indulgence, if you would maintain that lithe, youthful figure.

Lucky Strike, the finest Cigarette you ever smoked, made of the finest tobacco—The Cream of the Crop—"IT'S TOASTED." Everyone knows that heat purifies and so "TOASTING" not only removes impurities but adds to the flavor and improves the taste.

"It's toasted"

*Be Moderate! . . . Don't jeopardize the modern form by drastic diets, harmful reducing girdles, fake reducing tablets or other quack "anti-fat" remedies condemned by the Medical profession! Millions of dollars each year are wasted on these ridiculous and dangerous nostrums. Be Sensible! Be Moderate! We do not represent that smoking Lucky Strike Cigarettes will bring modern figures or cause the reduction of flesh. We do declare that when tempted to do yourself too well, if you will "Reach for Lucky" instead, you will thus avoid over-indulgence in things that cause excess weight and, by avoiding over-indulgence, maintain a modern, graceful form.

Why Few Are Fat

Excess fat has been disappearing fast in late years. So fast that excess fat is the exception now. You see that in every circle.

That change is largely due to the discovery that excess fat is largely the result of a gland weakness. A gland whose secretion helps turn food to fuel. So modern physicians, in treating obesity, seek to combat this cause.

Their method is embodied in Marmola prescription tablets. People have used them for 22 years—millions of boxes of them. Now almost everyone has slender friends to show them the results.

Go do what they did—try Marmola. All druggists supply it at $1 a box, and a book in each box tells you how and why it acts.
