New Beauty for the New Ford

THE NEW FORD TOWN SEDAN In the Town Sedan you see a distinguished example of the unbroken sweep of line which adds so much charm to all the new, roomy Ford bodies. Radiator, hood, cowl, lower roof line, fenders, wheels—every point of design reflects the new style and beauty that have been placed within the means of every one. All of the new Ford cars are finished in a variety of colors.

ANOTHER STEP FORWARD

THE introduction of the new Ford bodies has set a high standard of motor car value. From the new deep radiator to the tip of the curving rear fender, there is an unbroken sweep of line—a flowing grace of contour gaining added charm from the rich and attractive colors. You will take a real pride in the smart style and fresh new beauty of the Ford just as you will find an ever-growing satisfaction in its safety, comfort, speed, acceleration, ease of control, reliability and economy. In appearance, as in mechanical construction, craftsmanship has been put into mass production. New beauty has been added to outstanding performance. A feature of unusual interest is the use of Rustless Steel for the radiator shell, head lamps, cowl finish strip, hub caps, tail lamp and other exposed metal parts. This steel will not rust, corrode or tarnish and will retain its bright brilliance for the life of the car. Here, as in so many other important details, you see evidence of the enduring quality that has been built into the new Ford. Roadster, \$435 Phaeton, \$440 Coupe, \$500 Tudor Sedan, \$500 Sport Coupe, \$530 Two-window Fordor Sedan, \$600 Three-window Fordor Sedan, \$625 Convertible Cabriolet, \$645 Town Sedan, \$670

A Boneless Step-In By Warner's A dainty little Step-In, completely boneless, and made of soft crepe-velveteen, is excellent for slender figures who wish to appear at their best, always. The soft broadcloth lining invites wear next to the skin—and the two broad elastic panels over each hip assure no restraint in any strenuous action. There is an essentially feminine touch to the embroidered net and rosebud trim, that is charming. I. ABRAHAM The Silk Store
